TEAM FORMATION POLICY

The Club's policy on allocation of players to teams in U12-U14 recognises the following principles:

1. Player Safety
2. Playing Ability
3. The Brothers Way
4. Playing Positions and the competitiveness of the team within its respective Age Group Division, ensuring the team numbers remain balanced.
5. Team Numbers – If there is more than one team in an Age Group, team numbers are kept as even as possible, within the preferred minimum and maximum player number limits. The club is aware that the viability of a team to play for a full season, greater numbers are more beneficial than less numbers.
6. That players end up in teams that align with club program and coaching philosophies.

Re-registrations and new registrations for these Age Groups will open Online via Rugby XPlorer on **Tuesday 15th January 2019**. **AFTER** registering on Rugby XPlorer, contact the registrar via email at karen@brothersrugby.com in regards to the following ONLY.

- Any player wishing to play up and an age group.
- If you are a new player to the club.

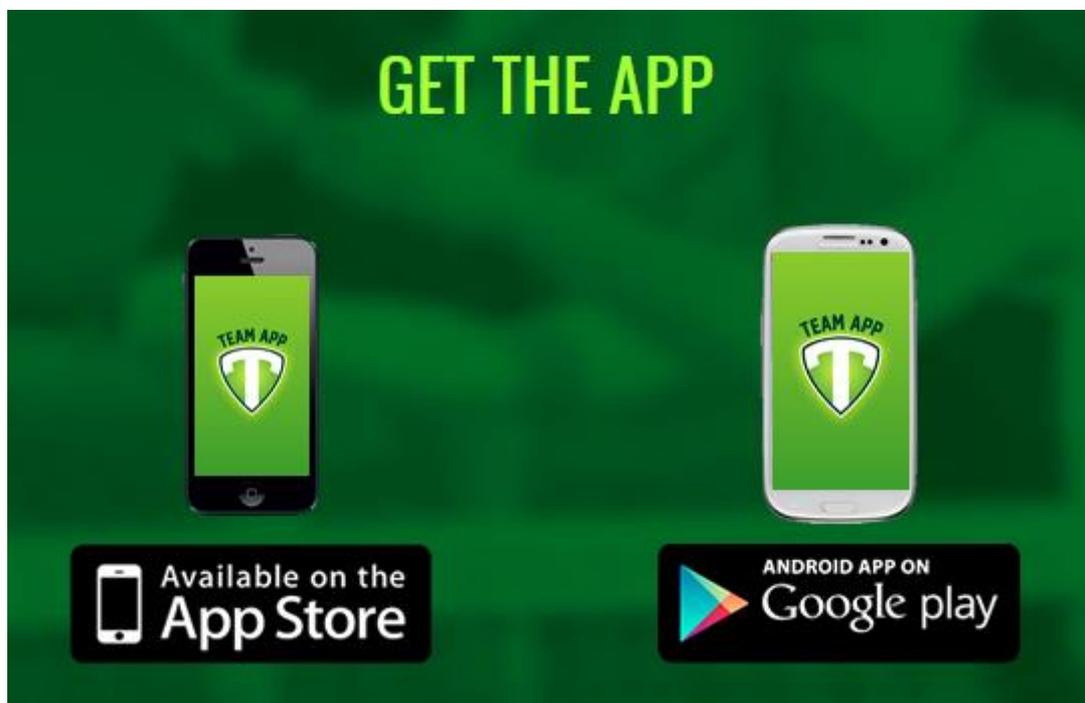

All registered players are expected to attend all preseason training commitments to ensure the team formation process can be effectively executed. Registered players will be contacted closer to Team Formation sessions to collect relevant playing information/details.

Players are to register before **Friday 1st March 2019**. Team numbers for the season will be finalised after this date. Any late registrations may be placed on a wait list or may miss the opportunity to be placed in the most suitable team.
