PRESIDENT'S REPORT

Here we are at the end of another year, our 108th in fact. Like a lot of other years before this one it has been a year of achievements, disappointments, and perhaps lost opportunities.

Firstly we must congratulate and delight in the achievement of Dom Shipperley in becoming, deservedly, a Wallaby. The ultimate achievement for the Club is to see one of its members reach the pinnacle of our sport. Well done Dom and all our best for a long future with the Australian Wallabies.

On the football field we appear to have achieved well, with a minor premiership for premier Grade, premierships for Wyatt and Normandy Cup teams, a grand final appearance for 2nd Grade, resulting unfortunately in defeat, and finals appearances for all other premier grade teams. Colts fought up hard but frankly were undermanned for the competitions they played in.

The football department is, amongst other emotions, disappointed however and so real investigation, planning, and action is being undertaken for the future. A strong committee of Recruiters was formed last year and continues to strive for young players to play at the Club. The overwhelming attribute we are seeking is a desire to play Rugby at Brothers.

Whilst other Clubs seek to gain allegiance with rewards of monetary incentives, free education and accommodation we aim to develop aspirations amongst our target group to aim high, using the pathway we are developing for them, and all those players at Brothers who have ambitions. That doesn't mean we fail to recognise the fact that some players require assistance in some form; notably assistance with education and employment opportunities so that is where our efforts are directed.

Off the field the primary objective continues to be the pursuit of revenue to ensure we continue to operate and grow our Club, field well-presented and prepared teams and plan for the future.

Des Hogan will tell you we have made a profit and we will enter into the new year with a little money in the bank and most creditors paid or within terms. We will also be confronted with costs associated with the Clubhouse and generally facility renovation, which are onerous.

With the help of the Brisbane City Council staff (notably Lorraine Gregory, now a firm supporter of Brothers Rugby) some significant restoration of the Club has been achieved. We also owe a debt of gratitude to Glen Rohrig, major sponsor, and Guy Ledwidge and Roger Jones, both significant in-kind sponsors, for the work and materials given to us in the improvement of facilities.

Our revenue has been underwritten by the support of sponsors, particularly those who have been constant stakeholders in the Club. In that regard Imagetec enters its sixth year as major sponsor, ardent supporter and sometimes business adviser and earns enormous gratitude from the committee. My rough estimate is that Imagetec, at 31 Dec 2013, will have paid the club approximately \$185,000 for the right to display their name on the jersey and the hope we generate some leads for their business. We are enormously grateful for the support of all sponsors, particularly when you realise that the QRU is reluctant to commit any money to real publicity for Clubs, and consequently their sponsors.

To efficiently operate the Club your committee needs to raise about \$450,000 annually and then more than that for renovation and development. Therefore the funds raised by the Welsh Test lunch, organised and sold by Greg Felsman, and Tony Lalor, on committee, and others, not on committee, including Tom Ritchie is invaluable. This event was well supported by corporations, which must in the future be the target market as frankly the financial membership of the Club is firstly tiny, when you consider the persons who have and are involved with the club, and secondly, apart from a notable selection, is apparently not very interested in supporting the fund raising efforts of the committee. In this regard the aim to gain 500 financial members of the club has fallen about 250 short which is frustrating for a dedicated and hard working committee.

Big efforts were put in by supporters to make the Golf Day and Ladies Day, important revenue generators, successful. Other efforts to generate income and to extend our supporter base such as The Presidents Club were failures due to either inappropriate models, or complacency, or lack of commitment to achieve success.

That does not mean we will abandon such initiatives but we need to work harder at development and sale to get the best result.

In an effort to improve our planning, prioritisation, execution and to encourage our supporters to join the process of planning and execution of the most needed initiatives, the committee engaged a consultant to moderate the development of a strategic plan for the short term future of the club. The plan is complete and the committee has adopted the priorities that interested persons have disclosed as preferred actions. I will provide a short synopsis of the main features of the plan at the AGM and after the AGM the plan itself will be available on the web-site.

At the time you read this we will have commenced some ground rehabilitation work and will have lodged grant applications with the City Council for a grant to pay for a portion of the cost of the upgrade of the Jack Ross oval; and with the State Government for the cost of a major upgrade of the lights on Jack Ross oval. We have plans to use the existing lights to upgrade the lighting on the Vic Walsh oval but that is a costly exercise and therefore won't occur until there are funds available. We believe we have had some success in negotiations with the City Council to have major rectification work on both ovals, under their dump site remediation program, moved up the list so that that work maybe started within three years.

The Management Committee and Matt Kaye (General Manager/Rugby Manager) have worked tirelessly to generate income, retain costs and make decisions in the interests of the club. All committee members donate time as volunteers despite having jobs and businesses to attend to. Some also donate money or products from their businesses. Matt works over 60 hours a week during the season and continues to put in long hours even now on administration, planning for next season, recruitment, and running functions, sometimes without assistance, to raise much needed income.

Without the extraordinary efforts of these people and the continued work of other volunteers we wouldn't have a functioning club, however people have a limit and without more volunteers at all levels, particularly to serve on committee, and as coaches and managers, we are in danger of losing the main contributors to the well-being of the club.

On my own behalf, and on behalf of members and supporters, thank you volunteers, and Matt, for the work you have done to further the objectives of the club. Let us hope there are others who will generously give of their time, who will step up and lighten the load of the relative few.

Rugby I believe is on the threshold of major change. The ARU report makes interesting reading and covers more than the corporate governance issues that have made the press; the report has implications for all levels of Rugby and if the ARU is to do its job properly there will be change. There is much to be done and some risks to be taken to ensure Brothers retains its position of one of the iconic institutions within Rugby.

We will not prosper without stakeholder support and input in the planning, management and development of the club, consequently I implore anyone connected with Brothers who wants to see the institution regain and retain its reputation to take a part and make a difference.

This meeting will I hope elect Peter Lavin to Life Membership. I had the honour and enjoyment of being a Rugby team manager, with Peter Hoare, during most of Peter's playing days; I am absolutely aware of the work, money and commitment that Peter and others gave to ensuring this iconic club survived the financial troubles of the nineties and early 21st century; and I am personally grateful for the support, monetary and emotional, Peter gave me and the club in 2010 when the failure of the Crossbar, and the folly of employing two high paid officers, put the club once more into financial chaos. Peter's elevation to the highest honour this club can provide is well deserved and it also means all the main players in ensuring the survival of the club through the nineties have been recognised.

Jim Frayne

LIFE MEMBER

Peter Raymond LAVIN

In 1977 Peter arrived in Brisbane from New Zealand. With rugby knowledge from his early days in New Zealand he saw that Brothers needed a half back. He soon not only reached 'A' Grade but found a job and a home becoming an important player in epic grand finals in 1979 (including the replay) and 1980 against old foes, University of Queensland. From 1978 to 1984 Peter played in seven grand finals winning six.

In the 1979 season Peter scored 158 points and won seasons best back, this was repeated in 1980, scoring 130 points including 8 field goals with the newspaper reporting at the time "always cheeky and never lacking in confidence, typically Lavin was in the thick of things, many times acting as the ninth forward."

The qualities of determination mixed with the skill that he showed on the field would soon be required off the field as a financial storm was brewing in the background.

In 1985 the License club, after a disruptive year because of building extension work incurred a trading loss. Debt was entered into with rates of interest of 14% which rose to 21%. Borrowing costs were \$187,000 and snowballing.

In 1987 then Club Treasurer and Peter's friend, Phil Zappala started a campaign to sell \$1000 True Blue Perpetual memberships. Peter immediately came to the fore to not only sell memberships but also buying some himself. This effort kept the bank from the door in the short term. However, the original estimate of \$1.08m for the extensions doubled, becoming a club debt of \$1m after government grants.

By 1991 five years of debt took a heavy toll on members and supporters and affected playing performance. Around this time Peter saw the debilitating affect the club's finances was having on players and decided to do something about it. He joined the fight deciding to deal with the root of the problem by becoming a director of the License club. This fighting attitude was his character on the field and was now transferred to off field activities.

This was a courageous call both by Peter and the other Licence Club directors as the position was precarious and unpopular with personal legal liability becoming a real threat and the members venting their frustrations at the board with cries of "What are they doing to our club and its staff".

A plan was hatched to buy out the old debt and refinance a new smaller debt. The only security that could be provided was a form of guarantee. Peter was at the forefront of this. There were eleven members involved as guarantors for a \$300,000 CBA loan.

At the same time approximately \$140,000 was raised by \$5000 donations or loans by members on an unsecured basis. With generous support with materials and labour from Brett Walker this money was used to renovate the club and the TAB. Again Peter was to the forefront of all these efforts.

In addition, to pay wages in this tight situation Peter, along with the other directors John Diamond, David Dunworth, Roger Herring, Ron Ure, and Bill Andrews took out a personal overdraft known as the "Racing account" to provide working capital. The supports loans and personal overdraft were forgiven by those involved.

Without these efforts the licensed club would have gone under and the football club would have been dragged down with it. Peter had a major hand in all financial dealings and efforts to improve the club facilities and management, with his sole aim of ensuring the survival of his "second home" Brothers Rugby Club".

To continue the story, during 2009 the outdoor facility, Tom McCormack Place, was extensively refurbished to enable a bar and restaurant business to be conducted as a means of boosting regular Club revenue. Towards the end of 2009 Peter provided by way of donation, a sum of almost \$100,000 which allowed the refurbishment to be completed.

The failure of the area as a business and the burden of costs associated with the employment of two relatively highly paid staff during 2009/10 resulted in the Club being in a precarious financial position in September 2010. Along with a number of decisions to enable the Club to continue to trade with some confidence that insolvency would not eventuate, Peter was approached to loan the Club a significant sum (\$90,000).

In the two years since that loan was entered into the terms have been breached by Brothers however Peter continues to support the Club financially by not calling up the facility. A sum of \$70,000 remains unpaid at this date.

Peter achieved his aim and continues to this day to support the club financially. This, along with his playing career and a ten year coaching career with the juniors, qualifies Peter as a worthy recipient of a Club Life Membership.

New Perpetual Trophy for Brothers Rugby Club

The R G J Price Coaches Award

For outstanding service to the Club in the role of a team Coach

This trophy was named in honour of Ronnie Price (Life Member, Administrator, Coach & Player) for his service to Brothers Rugby Club as a Coach and mentor.

After much success as a player Ronnie turned his hand to Coaching in 1978 with Reserve Grade. He's probably most famous for coaching Brothers to 5 consecutive "A" Grade Premiership from 1980 to 1984 inclusive.

Ronnie has had an outstanding strike rate as a Coach, winning 11 of 13 Grand Finals that his teams have contested.

He has also coached a number of representative teams; Queensland B, Brisbane, Australia U21 and Queensland Suburban.

In a coaching career that has lasted from 1978 to 2012, Ron has coached players ranging from Wallabies to Colts but all his players say the same thing – thank god for Ronnie Price.

Former Wallaby Captain inducted into Wallaby Hall of Fame

A.A. Shaw

One of Brothers and Queensland's favourite sons, **Tony Shaw** has been announced as the 26th inductee to the **Wallaby Hall of Fame**.

Tony Shaw was known as a hard and uncompromising forward who led the Wallabies on 15 occasions, including the famous 1980 Bledisloe Cup series win that saw the Australians retain the trans-Tasman silverware for a second straight year.

Tony Shaw enjoyed a remarkable career in Rugby. From the Gregory Terrace Rugby nursery, Shaw showed from an early age he was capable of reaching the top level.

In 1973 he put on a powerful display for Queensland against Tonga, and played himself into the Wallabies squad for a nine-match tour of England, Wales and Italy. His outstanding form warranted selection for five of the nine games, including the Tests against Wales and England.

In 1974 Shaw was in the Queensland team against the visiting All Blacks. But realising his preferred No.8 position was out of reach at the time due to the presence of the legendary Mark Loane Shaw decided to concentrate on flanker and second row. When Japan visited in 1975, and England followed for two Tests, Shaw once more secured his Wallabies place, this time on the side of the scrum.

His "go-forward" style was the epitome of the confrontational mentality of the Australian pack and together with Mark Loane and Greg Cornelsen, created what is considered by many to be one of the best back row combinations in Australian Rugby history.

In 1978, Daryl Haberecht took over as Australia's coach, and began discussions with Tony Shaw regarding the captaincy. Even though Shaw was not captain of his club side or Queensland at the time, he was given the honour of leading out the Test team. Under his leadership, Australia won the two Welsh Tests on home soil and Shaw retained the captaincy for the 1978 tour of NZ, where he would play 11 of the 13 matches, including the three Tests.

The first two were lost 12-13 and 6-22. Prior to the third and final Test coach Daryl Haberecht suffered a heart attack and was hospitalised. The team rallied in his absence, and in a remarkable display overran NZ 30-16 with Greg Cornelsen scoring a record four tries. It is reported that the reason for the Wallabies turn around in form was thanks to an inspirational on field speech from Shaw.

In 1979 Dave Brockhoff took over the coaching duties and appointed Mark Loane as the captain for the one and only Test against the All Blacks where the Wallabies won 12-6 to win the Bledisloe Cup for the first time in decades.

With Mark Loane's decision to go to South Africa in 1980, Shaw returned as captain and in a remarkable home series against the All Blacks, Australia ran out victors by two Tests to one. Shaw was retained as captain for the 1980 tour of Fiji, the home games with France in 1981, and the 1981-82 Wallabies tour of the British Isles.

On 10 July 1982 at the Sydney Cricket Ground Shaw played his final Test for the Wallabies against Scotland and while there were appearance for his state against the All Blacks and Argentina the curtain was drawn on a remarkable Test career. He captained the Wallabies in 15 Tests, and Australia in 23 other matches.

Brendan McKibbin – premiership winning captain, Wallaby Tourist

With his Sydney Club, Eastern Suburbs not figuring in the expanded 8 team Shute Shield finals series, Brendan journeyed home to Crosby Park and with a domestic release in hand and then turned out for Brothers Reserve Grade side in the last couple of rounds of the Brisbane Premiership season.

Unfortunately since he hadn't played enough games for Brothers in the home & away season, he was unable to play through the finals for the Club.

With Brendan's selection as a replacement on the Wallabies 2012 Spring Tour to Europe, he now becomes Brothers 69th Australian International.

Brothers Rugby Club would like to extend its congratulations to a true Brothers Man, well done Kibbo.

Queensland Suburban vs. Queensland Country at Goondiwindi

TEAM REPORTS

Premier Grade

Preliminary Finalists & Minor Premiers

The extended Premier Training Squad of 42 excited souls started back at Crosby Park the first week of January full of enthusiasm for the 2012 season. The pre-season camp, organized by new Premier Grade coach Matt Kaye, at Metropolitan Caloundra Surf Lifesaving Club was well attended by the Premier group and the players started to build the 2012 season culture.

With the early start of the new Super Rugby season, the members of the Queensland 2nd XV **embarked on a series of matches against Fiji Warriors, Tonga 'A' and Samoa 'A'. Brothers were** fortunate to have a number of Premier Grade players involved in the 2nd XV programme; with Dominic Shipperley, Mitchell Felsman, Dallan Murphy, Joelin Rapana and Andrew Coady gaining some quality game time and experience in these fixtures. Unfortunately we lost Mitch Felsman for the season after an injury in these fixtures which meant he would require a shoulder reconstruction.

The Queensland Reds Super Rugby game against the Western Force in Perth prior to Easter was a highlight for Brothers, with our three Reds players; Dom Shipperley, Dallan Murphy and Joelin Rapana all taking the field.

Round 1 of the Queensland Premier Rugby season kicked off with a tough 20-17 win against Easts at the opening of David Wilson Field. The game saw Kirwan Sanday, David Campbell, Dylan Taikato-Simpson, Joelin Rapana and Luke Williams make their Premier Grade debuts for the Club. Scott Daruda made his comeback for Brothers after a stint playing for Japanese club, the Kubota **Spears in 2010/11 and 2011/12. Dave Campbell also took out the Round 1 QRU 'Musashi High Performer of the Week' award for player of the round.**

Brothers' first home game of the season was against Wests for the Pilecki-Shaw Cup and the bhoys were too strong for the visitors defeating the Bulldogs 60-19, Jason Harvey, Brad Jones and Dan Kent also made their Premier Grade debut.

Brothers continued their winning streak, when they had a strong win against Norths 36-10 at Hugh Courtney Oval. The Premier Grade players then backed this win up with further hard fought victories against Souths 24-11 at Jack Ross Oval and GPS Old Boys by 21 points to 17 at the Ashgrove Sports Ground, we also welcomed back Crosby Park favourite Iosefo Tabalala.

The annual Tradition Day fixture between Brothers and University at Crosby Park is always a spirited affair. The Butcher Bhoys put the Red Heavies to the sword in the Round 6 fixture and retained the Templeton-McLean Cup for 2012 with a hard-fought 24-21 win. Andrew Coady **continued his early season form in taking out both the Round 5 & 6 QRU 'Musashi High Performer of the Week' awards.**

The week leading into the home game against Sunnybank, saw the touring Welsh team along with coaches; Rob Howley and Shaun Edwards come to Crosby Park and use Jack Ross Oval as their Brisbane training base. The Premier Grade group was privileged to be involved in a number of training sessions with the Welsh team and the Bhoys were excited and thrilled to learn a number of new drills and techniques.

The team headed in to fixture against Sunnybank confident that they could continue the winning streak; however the result saw the Bhoys drop their first game of the season by 34 points to 17.

The match against the Gold Coast took on added significance with the players wanted to bounce back from the disappointment of the week before. The Bhoys recorded a convincing 46-27 win over the Gold Coast and Joe Wright, who came to us from Marist-**St Pat's Wellington and Casey Rock**, our uncapped US Eagle made their Premier Grade debuts. Unfortunately this match was also the last for Joelin Rapana who left the Club to take a position in Hong Kong.

Brothers travelled to Stockland Park, Kawana the home of Brothers Rugby Club-Sunshine Coast to take on the Stingrays in Round 9 of the Hospitals Cup. A fantastic defensive effort to repel the repeated scoring efforts saw Brothers win the game 38-5. This was a game that set up our season on the way to the finals, with the team turning at the midpoint of the competition 8 wins and 1 loss. **The match saw premier colts' players Mitch Copeman and Ben Hyne make their Premier Grade debuts.**

A healthy crowd gathered at Crosby Park for opening game of the second round of the Hospitals Cup Premiership which also coincided with the 7th Annual Ladies Day. The game had added significance as it was also the 80th Welsby Cup Final and Brothers through the 28 points to 17 victory took home its 21st title. The down side of the fantastic win was the season ending injury **sustained by Dallan Murphy. Simon Price took out the Round 10 QRU 'Musashi High Performer of the Week' award.**

Brothers' Premier Grade Assistant Coach, Carl Marshall was also busy leading into the mid season break. Carl was appointed the Head Coach and Brothers Old Boy Michael Crank Assistant Coach of the Queensland Schools team that contested Australian Schools Rugby Union Championships in Sydney. His Queensland 1 side was defeated by NSW 1 26-17 in the final. **Premier Grade physiotherapists' Ian Astbury and Joel McPhee were also part of the Support Team at the Championships.**

The return match of the Pilecki-Shaw Cup saw Brothers travel to Sylvan Road to take on Wests. **Unfortunately there just wasn't the same resolve displayed by the Bhoys this week, leading by a point at the 79th minute a lapse in the defensive effort saw the Bulldogs score a try on full-time to take out a 19-15 win.** It was the best way to celebrate Trent Jones playing his 50th Premier Grade **for the Club. This would also be Scott Daruda's last game for Brothers as he would take up a contract with the Manly Club in the Sydney Shute Shield Competition.**

The mid-season bye saw the 5th Annual City-Country carnival take place at Ballymore. With Brothers sitting in 1st place, it meant that a number of our players would be involved in the Metropolis teams to play Queensland Country. David Campbell, Dylan Taikato-Simpson, Damon Murphy, Kirwan Sanday and Luke Beauchamp were selected in the Brisbane team.

The first game after the Bye saw Brothers take on Norths at Crosby Park in the Northside Derby and unfortunately Brothers fell at the last hurdle again and went down 19-17.

Brothers travelled out to Chipsy Wood Oval to take on another fierce rival in Souths and were looking to stop the two match losing streak. The players stood tall and put the Magpies to the sword with a dominant display went out winners by 34 points to 11. David Marshall, who came to us from Rotherham Titans (RFU Championship Club) and Matt Blair made their Premier Grade debuts in the game against Souths.

The home game against GPS was also a part of the Flynn-Lewis Memorial Shield challenge match and saw Dom Shipperley make his first appearance for the Butcher Bhoys in 2012. The Premier Grade bhoys beat GPS 36-28, but unfortunately since the lower grade had all ready their matches **by 5 games to 2, the winner of Premier Grade game wouldn't affect the result of the Shield for 2012.** So for 2012 GPS took out the Flynn-Lewis Memorial Shield by 5 games to 3. This game was also the last game for Jason Harvey who left to take up a professional contract with Jersey RFC in the RFU Championship.

The Premier Grade fixture against University at St Lucia was an opportunity for the players to **continue their build up in the run to the Final's series. The game was a tight affair and the two** teams fought tooth and nail to come out the victor. Brothers went on to beat the Red Heavies for the second time this season. **Anthony Pyers took out the Round 15 QRU 'Musashi High Performer of the Week' award.**

Brothers headed out to Oldmac Oval to take on Sunnybank for the Round 16 clash. The Bhoys were feeling confident and were looking forward to the clash. Unfortunately after a tight first half, Sunnybank ran away with the match and took out the game 50-20. Pierce Fitzgerald made his Premier Grade debut in this game.

Brothers travelled to the Gold Coast to take on the Breakers with the hope of putting the **disappointment of last week's result behind them. However the bhoys continued to struggle with** form and confidence and with only 2 minutes to play were behind by three points. Thankfully Charlie Freney continued his knack of being in the right place at the right time and scored the match winning try on fulltime, which meant we were able to head back up the M1 with a 31-29 win.

The Round 18 clash against the Stingrays saw Brothers playing to retain their top of the table position. By winning this game Brothers would claim the Horsley Trophy for the Minor Premiership and take some winning form into the Finals. The Butcher Bhoys took the Stingrays to school and piled on the points taking out game by 44 points to 5. Charlie Freney played his 50th Premier Grade for the Club.

The Butcher Bhoys headed to Ballymore for the Major Semi-final against University full of confidence and self belief after finishing the season as Minor Premiers with 14 wins and 4 losses. The game started with a flurry and at the 43 second mark, Charlie Freney was sent off for a dangerous tackle, so the Bhoys needed to work hard for each other for the next 79 minutes. **Unfortunately we just didn't recover and the Red Heavies advanced to the Grand Final by 59** points to 12. There were a couple of milestones out of the game with Simon Price playing his 150th Premier Grade game and James Colvin making his debut.

The one highlight of the weekend for the Premier Grade Bhoys was the fact that Dominic Shipperley made his Test Debut against South Africa in Perth.

The Bhoys knew they would have to regroup and come out with all guns blazing in the Preliminary Final against Sunnybank. The first half was an arm wrestle with both teams trading tries and going into half time Brothers were only down by 7 points and the teams confidence was building. However this would be a game of two halves, Sunnybank broke the shackles and with a couple of defensive errors the game just slipped away and the Dragons won the game 43 points to 15 and would progress to the Grand Final against University.

A special note should also be made of Trent Jones, Dave Campbell and Nathaniel Gendle who **played in all 20 Premier Grade games of this season's campaign, well done Bhoys.**

To Matt Kaye, Carl Marshall, John Druery, Ian Astbury and Joel McPhee; thanks for your patience, assistance, feed-back and good humour throughout the year.

To the 38 Players who played Premier Grade this year, thanks for your help, camaraderie, good humour and assistance in making this season a most enjoyable one. I hope you take time to enjoy the fruits of your labour and look back with a sense of pride on the season you all had.

Division One – 1st Grade

Semi-Finalists

The 2012 season was definitely a lot of fun a good playing roster and coaching/management staff.

The start of the season wasn't a good one a few losses and struggling against some teams we should have controlled, until the second round. Then we started to put things together shows how important a good start is. Played South's in the knock-out final but didn't put it together.

A large number of players got a start in Premier Grade this season which is very pleasing. We believe that next season a lot of them will be permanent in premier grade. We were also lucky to have the services of some very talented players that were colts last year and have a big future in this game and club.

A pleasing thing about this season was the big improvement in our set pieces and defence, such a big part of the modern game. We were happy with the leadership skills of a lot of players especially Dusty and everyone else who helped the ref make decisions.

Really had fun this season and hope all will be back next season to continue on with the improvements we made this year.

The Coaches (Gabbett, Grady, Williams and Kissane) and Managers (Paul Favell, Sandy Diamond) congratulate the team and hope to see you all again next season to finish off some unfinished business.

Division One – 2nd Grade

The minor premiership season for second grade was quite successful with 14 wins and four losses in a very even competition. These results enabled the team to finish second on the ladder at the end of the competition rounds.

The team beat GPS 14-13 in the major semi-final to advance to the grand final. Unfortunately in the grand final, where the opponent again was GPS, the result was a 26-18 loss in a hard fought match.

Thanks must go to all the players who were a part of this team this season (be that playing, reserving, running water etc). Without the commitment and application of the players to being part of Brothers Rugby Club, ranging from training to playing to socialising, there would not be anywhere near the level of club spirit and the success that comes with this.

Thanks must also go to John and Sandy Diamond for all the time and effort they put into assisting a number of the club teams to ensure they had jerseys, water and got the book filled out correctly amongst other things.

The physiotherapy and sports management support provided by Joel McPhee and Ian Astbury (and their able assistants) was greatly appreciated by the team.

Finally thanks must go to Tim McKellar and Peter Pettinari who through the season ensured that training sessions were well organised and that on game day the team was ready to play.

In conclusion season 2012 was reasonably successful but fell just short the ultimate goal. I hope that on balance all the players who were involved with this team enjoyed the season and that they all have taken something from it.

Division One – 3rd Grade

Semi-Finalists

A good season overall for 3rd Grade this year again making finals. Leading the competition most of the season but sadly finishing 4th overall. This made it all the more difficult to accept the loss in the first Semi-final.

Again 3rd grade making semi-finals was no doubt aided by our attacking force which resulted in us being the 1st ranked offensive side at home games and 2nd ranked overall in the Competition. Our defence again being our Achilles heel with our ranking this year being 4th ranked at home and only 5th ranked overall.

Individual highlights in the forwards this year being Captain and Prop Ollie O'Loughlin, Chris Ure at hooker/prop and the return of Peter Haig and Michael Duhig bolstering the front row, the 2nd row was pretty stable this year with Cody Gray, James Vail and Reston Gimpel being the mainstay players, in the back row new comers Jay McCullough, Alex Skippen performing particularly well for both 3rd grade and 2nd grade.

On the down side we suffered some late season injuries through the grades and lost a bit of firepower when most needed against the front running teams leading up to finals. The significance of which 3rd grade went from 1st position to 4th in a matter of two weeks due to the closeness of competition this year.

In the backs we have seen wing Dan Jenner head the top try scorer spot in the club for the second year in a row, save for back rower Corbin Crain if he scores when playing in the Normanby Cup Grand Final. We have a had Tegan Tombe playing at scrum half this season and he has shown great promise for such a young guy in his first senior year, he performed particularly well in defence showing the guys never to give up when tracking back. To cap off, a very good offensive season,.

A big Thank you to Forwards coach Tim McKellar and Sandy Prestege for her invaluable help with the squad this year. A stronger focus on forwards stability and defence for next year.

Premier Colts

Premier Colts kicked off their 2012 campaign with three consecutive wins and looked to be on track for a promising year with a strong forward pack and some handy backs. Things took a turn for the worse when some injuries led to a few changes in the backline and we struggled with a few key combinations.

This combined with a lack of numbers in the Colts system this year led to us forging ahead with a **team who turned out to be quite solid, we just couldn't manage to convert that into wins.** This ultimately led to two rather large losing streaks which pushed us well out of finals contention. From here we are all looking ahead to 2013.

The majority of the forward pack are still with us, which will put us in a great position early on. When at full strength we had one of the more powerful packs. Throw in some backs to match and we should be on our way.

Congratulations to some of our guys who played in the Second Grade Grand Final; Tom Moloney, Ben Hyne, Jack Webby and Mitch Copeman.

We wish the guys progressing to grades in 2013 all the best. We hope you stay with the club; the 2011 Colts who played in the grades this year have all flourished as players and will continue to contribute to the depth and culture of this great club.

QSRU – Wyatt Cup

PREMIERS & Minor Premiers

Well 2011 saw the Wyatt Cup team resting once again when the finals came around, this wasn't good enough. Things had to change the coach was released (sacked) with two years left on his contract and a new coach had to be found. Two current Australian super XV coaches and a fella by the name of Robbie submitted resumes, but they all had no success at finals. A call was made to Ealsey.

Now what Peter Ealse from Dirranbandi didn't know about rugby wasn't worth knowing. He said one word, Pricey (well it was really two words "Coach Price"). A delegation was sent to sound the 11 time premiership winning coach out and after some tough negotiating we had our coach but he was worth it. 2 cans of gold after each game and a couple of slices of pizza from Frattelis after home games.

30 players presented themselves for pre-season training held on Tuesday. It was long and arduous and lasted an hour. Coach Price had his own little way of remembering names, if you were bald you were called Kelvin, if you had a beard you were called Crooked and if you are five foot and a bit and come from over the ditch you were called Jimmy. Now this system worked until guys who had no names started shaving their heads so the coach would talk to them (Landis). Others **shaved their beards off because they didn't want the coach to mistake them with crooked, but the** little 5 footers were always called Jimmy.

30th March was the first game. It was tough, it was hard and it was a loss. 15 to 10, but **Longhorns couldn't cross our line. Round 2 was a good win and a 35 to 7 victory in round three** saw our line breached for the first time this year, defence was the key. Round 4 was a loss to Wests, 14 to 12 but a game that saw Jackson show some intensity. Our next loss was round 15 to longhorns 18 to 15, this was the loss we had to have, training picked up, we won a couple of nail biters in round 16 and 17 and were surging to the finals.

In the last round we played our own players Sam Hazel and Buckwheat choosing to side with the Irish in round 21 and they managed to stop a few tries and bring a few boys back to earth. The minor premiership was ours with a 39 to 5 thumping of the Irish. Their only try coming from our own Sam Hazel.

The year had been built on defence, we had a monster forward pack in Jackson, Darren Hawthorne, Johnny Moore and with some hard running and tackling back rowers

Major semi had us pitted against Wests. In defence our two league centres Stevie Beaumont and Ben Cruikshank smashed anything that came their way. While in attack the veteran Paddy Moore was making inroads from the back, half time 5 zip to Wests and coach Price was calm and tempered. All he said was believe in your @%\$& selves, this was the only game this year that we have failed **to score a try. With 3 well struck long range penalties 9 to 5 we didn't need a try we were on our** way to the grand final. Even if they were able to get a glimpse of our secret weapon – Brendo's chip kicking.

Pepe's grand final dinner two nights before the grand final which included several trays of tequila shots, not a great idea hours from a grand final but it seemed to work. The grand final was where our potential was shown. After getting off to a slow start to a much younger and non-contesting pack, Brothers were down 6 - 0 after only 10mins. It's at moments like this that leaders stand tall. And with that in mind Grant Gearing, Gearo, stood tall and took one for the team. Firstly by reminiscing in the good old days when stomping was allowed. Only some cool sweet talking (but ref he was just lying there!!) saw him stay on the paddock. Then Gearo unselfishly sacrificed

himself with 10mins on the sideline after showing what Brothers defence can really be like. All be it, with no arms. This moment turned the game and served to fire up the Brothers team.

Much of the game from this moment was played in the forwards with Brothers showing their dominance. Half time saw Brothers in front following two tries following the forwards domination, 14 - 6. One of which saw Sean Condon show some well-polished finishing touches. In the second half the team took the field as though there had been no break. Strong forwards play again allowed Brothers to keep the pressure on. There was also a runaway try to Dennis Itel to confirm the win. The final finished with Brothers defending much of the last 10 mins with another player in the bin, this time Brendan Linen sacrificed himself for the team. But we were determined not to let and tries in and was the case. Final score 31 - 6, a well-deserved premiership. Later further **emphasised with the team being awarded the Brother's team of the year.**

Thanks to our sponsors for their great support - TRAC Developments, Watt Realty, Transport and General Insurance, Coolwell Lyons and a special mention to Panther from Mctel who has been our major sponsor this year and very generous with all his support!

Thanks to the tireless efforts of our much loved medical staff - Sue, Jake and Elly and reviving Luky on a weekly basis.

**FINANCIAL STATEMENTS FOR THE 15 MONTH
PERIOD ENDED 30 SEPTEMBER 2012.**

NOTE 1. STATEMENT OF ACCOUNTING POLICIES.

The principal accounting policies adopted by Brothers Rugby Club Inc (herein referred to as the Club), are stated in order to assist in a general understanding of the Financial Statements. These policies have been consistently applied except as otherwise indicated.

The Club is not a reporting entity because, in the opinion of the Directors of the Club, there are unlikely to exist users who are unable to command the preparation of reports so tailored as to satisfy specifically all of their information needs. These accounts are therefore Special Purpose Financial Reports that have been prepared solely to meet the requirements to prepare accounts under the Club's Constitution.

No other Accounting Standards have mandatory applicability.

The accounts have been prepared on a historical basis, and do not take into account changing money values except where buildings have been revalued.

The following is a summary of significant accounting policies adopted by the Club in the preparation of the accounts.

Property, Plant & Equipment.

Property, Plant and equipment are included at cost except where Buildings and other assets have been revalued. These assets are written off as an expense over their estimated economic useful life

The rate determined is 1% (Straight Line Method) for buildings and fixtures, 10% (Straight Line Method) for office and kitchen improvements and various rates as required for plant & equipment.

Units in S'Side Bingo Unit Trust – at cost 85553 70279
 During 1994, a Property Unit Trust was established by the holders of sessions at Southside Bingo to enable purchase of property from which bingo is conducted. This Club purchased one unit to ensure it's continued participation in bingo sessions. The unit is worth substantially more based on further property acquisitions and valuations recently undertaken by Southside Unit Trust. The Directors of Southside Community Group Pty Ltd., previously Southside Unit Trust, recommended a distribution, approved by the unitholders, and in our case this amount was \$17274, and the unit holders were then able to purchase additional units in the trust.

BROTHERS RUGBY CLUB INC.
NOTES TO AND FORMING PART OF THE FINANCIAL
STATEMENTS FOR THE 15 MONTH PERIOD
ENDED 30 SEPTEMBER 2012.

NOTE 5 – CONTINUED.

Brisbane City Council Lease.

The lease agreement that provides Brothers Rugby Club Inc with the right to remain a tenant at Crosby Park expired in October 2012 but continues to be a valid lease between the Brisbane City Council and Brothers Rugby Club Inc. Brisbane City Council has indicated in writing, they are prepared to extend the lease for a period of 20 years but it comes with many costly conditions and they have confirmed verbally their intention to allow the periodic provision to apply until the extension of the lease is entered into.

Representatives of Brothers Rugby Club Inc. were originally informed that the extension would be granted after the Council had completed community consultation of the whole Crosby Park Plan. This consultation has not occurred, however, council representatives have now offered a 10 year term of the lease immediately.

The requirement of the Club for a 20 year extension of the lease is the lodgement of a major capital works plan for the leased area, for the 20 years of the lease, to be periodically assessed by Council over the lease period.

Our legal advisers, McInnes Wilson, advise that even though the lease has expired in October 2012, the Club has periodic tenancy and as such, the lease will probably expire in October 2013 and that the Club should finalise a new lease with the Brisbane City Council as soon as possible.

Negotiations with the Council are continuing and a final decision will not be made by the Committee to accept a 10 year lease or conform to the requirements for a 20 year lease, until after the AGM of the Club in December 2012.

AUDITOR'S REPORT TO THE MEMBERS OF
BROTHERS RUGBY CLUB INC
(Formerly known as Brothers Old Boy's Rugby Club Inc)

Scope

We have audited the attached Balance Sheet and Profit and Loss Statement, being a special purpose financial report, of Brothers Rugby Club Inc. for the 15 (fifteen) months ended 30 September 2012 as set out on pages 2 to 8 in accordance with Australian Accounting Standards.

The Club's Committee of Management are responsible for the preparation and presentation of the Balance Sheet and Profit and Loss Statement and the information contained therein and have determined that the basis of accounting used and described in Note 1 to the Balance Sheet and Profit and Loss Statement is appropriate to meet the requirements of the Associations Incorporation Act (QLD) 1981 and the needs of the Club. We have conducted an independent audit of the Balance Sheet and Profit and Loss Statement in order to express an opinion to the members of Brothers Rugby Club Inc. on their preparation and presentation. No opinion is expressed as to whether the accounting policies used, and described, in Note 1, are appropriate to the needs of the members.

The Balance Sheet and Profit and Loss Statement have been prepared for distribution to members for the purpose of fulfilling the requirements of the Associations Incorporation Act (QLD) 1981. We disclaim any assumption of responsibility for any reliance on this report or on the Balance Sheet and Profit and Loss Statement to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Balance Sheet and Profit and Loss Statement and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the Balance Sheet and Profit and Loss Statement are presented fairly in accordance with the accounting policies described in Note 1 to the Balance Sheet and Profit and Loss Statement. These policies do not require the application of all Accounting Standards.

The audit opinion expressed in this report has been formed on the above basis.

Qualifications

Income

As is common for organisations of this type, it is not practical for the Brothers Old Boys' Rugby Club Inc. to maintain an effective system of internal control over income until entry in the accounting records. Accordingly, our audit in relation to receipts was limited to amounts recorded.

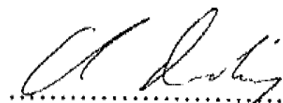

Property, Plant and Equipment

All property assets of the Club are constructed on Brisbane City Council land over which the club holds a sporting lease. This lease is due to expire on 5 October 2013. The property assets are not an asset for which a commercial sale price can be established.

Under these circumstances, there is a significant uncertainty that the property, plant and equipment are recorded in excess of their recoverable amount. We are unable to assess the amount by which the carrying amount may or may not exceed the recoverable amount.

Qualified Audit Opinion

In our opinion, subject to the qualifications noted above the Balance Sheet and Profit and Loss Statement of Brothers Rugby Club Inc. for the 15 (fifteen) months ended 30 September 2012 are properly drawn up so as to give a true and fair view of the state of affairs as at 30 September 2012 and of the profit for the 15 (fifteen) month period ended on that date.
