Hon. Secretary – Brothers Rugby Club

PRESIDENT'S REPORT

2023 has been a most wonderful year for Brothers – especially from a playing perspective right across our senior, junior and touch programs. The highlight, of course, was winning six out of the seven senior rugby grand finals we contested: certainly one of our most – if not the most – successful playing seasons in our club's proud 118 year history. This result is amplified by the fact that 10 out of a total 11 of our senior teams made the finals series. These performances, plus the points contribution of our vastly improved women's side, resulted in Brothers comprehensively taking the Doughty Shield – a true demonstration of the enviable depth of our club.

I will round out a summary of the overall playing program soon, but I want to revisit the board's vision at a macro level and touch on key elements of this.

When I took over the Presidency two years ago, I unashamedly said that our goal was to make Brothers the “best community rugby club” in Australia – something which we genuinely believe that we not only have the foundation to become, but what this most magnificent club deserves. And I unequivocally mean that: the contributions this club has made to rugby in Australia and on a global stage – in terms of premierships won, representative players produced, administratively especially with respect to board leadership roles at the national and state bodies, and in terms of the general philosophy and operation of the game – are phenomenal and arguably on any measure, unparalleled. We ARE a fair dinkum rugby club.

Now, as determining the “best community rugby club” in Australia is in many ways subjective and is dependent on so many factors, it's obviously a bit hard to definitively define, but I believe the pursuit of this ‘title’ is the most important thing. We unwaveringly remain – at a board and management level, but I'd also say the entire Brothers family – totally committed to achieving this. As an aside, I've always liked the title of the much acclaimed management text book, “In Search of Excellence”, because in my opinion while you can never achieve excellence – whether this be in business, sport, life or whatever – the pursuit of it is the most critical and worthy thing.....and that's what we're aiming to do at Brothers across all aspects of club life.

As we all know, there are many elements that make up the Brothers' operation:

1. Leadership, governance, administration, staffing, values
2. Culture and behaviour
3. Playing program (the players, coaches and coaching, support staff)
4. Commerciality

I will touch on these briefly to put in the context of the year-in-review. And while I earnestly believe that we have performed very well in these elements, the one area that could be interpreted as a “dampener” this year is the end-financial result. However, I want every member to be rest assured that this has been, is and will continue to be a core focus of the board and management. The fundamentals of a strong foundation have been set up with much needed financial investment in 2023 to ensure a sound financial platform is delivered in the years going forward.

I will touch on this through my analysis and Simon will do so more comprehensively in his Treasurer's Report.

Leadership, Governance, Administration, Staffing, Values

I think we've got this area pretty right at Brothers at the moment although like all aspects it really is a case of ongoing continuous improvement. Like other predecessor boards and committees at the club over the years, we have quality members who bring different and complementary strategic and commercial skills to the table and all of whom put in a big effort in so many different ways. Lochie and Steeley – in their respective executive leadership roles at an operational/commercial level and in the broader rugby space – are doing a sensational job, have excellent working relationships with the Committee, and their formal appointment in the second half of last year has paved the way for our very strong foundation that is certainly paying dividends. The rest of the staff are performing strongly in supporting our leaders. They are all very committed and professional, and with a few tweaks to their roles to suit the evolving needs of the club, we've got in place a well-oiled machine going forward. We uncompromisingly embrace and abide by our values at all times and some hard decisions we have made over the past few years have not only proven to be right, but are reaping rewards.

Culture and Behaviour

We've also worked very positively on the ethos of, and behaviour at, the club – both on- and off-the-field. As a critical and central part of this, the famous Brothers core culture – the intensity in the way we play the game and support our teams, our resilience, innovation, the camaraderie, the fun – remains sacrosanct. But we've also worked at bolstering areas such as ethics, integrity, transparency and other positive attributes.....not wanting to necessarily turn our players into "Mother Theresa's", after all we are a rugby club first and foremost and a pretty tough rugby club at that, but it is critical for our all our people: players, coaches, the board, staff, volunteers, supporters, etc, to realise that we need to live by our stated values at all times. And it's working – importantly, within the playing group and a big thank you to Club Captains Paddy O'Connor and Nick Cross and their club leadership team for their role in this including seamlessly integrating the women, lower grade and Colts players.

And can I say that in my opinion, this incredibly positive and united culture – from what I genuinely see as the best in Brisbane – was one of the main reasons we went so well this year. The unity across all grades was palpable throughout the season and certainly peaked on, and contributed to the successes of, Grand Final weekend.

Playing Program

As mentioned at the start of my address, 2023 was one of the most successful playing seasons in the history of Brothers. But it wasn't just in senior rugby – it was across-the-board and the following is a high level summary of representative honours during the year that paints such a positive picture.

International Representatives

Wallabies:	3 players
Australia A:	5 players
Junior Wallabies:	1 player
Australian U18's:	5 players
Australian Schoolboys:	2 players, 1 coach
HK U18's and U19's:	1 player

Emerging Reds U15's:	11 players
BJRU Jnr Colts Dream Team:	2 players
QAS 7's:	1 player
South Qld U19's:	1 coach

Touch Program

- 15% increase in junior participation
- Significant increase in quality of junior representative teams
- Kimberley Sue See and Katherine Stevens representing Australian Open Women's team defeating New Zealand in Trans-Tasman series. Kim also named Captain

Congratulations to everyone involved – the players, coaches, managers, support staff, parents and families, the Juniors and Touch sub-committees, board member Ben McCormack who has recently moved into the role of 1st Grade Coach for next season, our Manager of Touch Mitch Felsman, and above anyone else our Director of Rugby Damian Steele.

In saying all this and with the great results this year, I can assure you that we are not complacent in any way – in fact, we all got back to business for the 2024 season the day after Grand Final weekend.....well, two days later after the Mad Monday celebrations! But the reality is that Steeley and his team of coaches, managers and other advisers, are constantly in forward planning mode – for next season, the season after and beyond. We really are creating a strong and sustainable platform in and for playing and coaching development.

Commercial

As mentioned earlier, against a backdrop of a whole range of highlights at the club this year, perhaps the only negative was the end-financial result. But I want to assure you that we working very hard at rectifying this situation and as Simon will outline there is positive light at the end of the tunnel – both short and longer terms – and I'd really like to highlight the hard work and concerted efforts of Simon as Club Treasurer, Lochie as our General Manager-Commercial Operations, and fellow board members, Graeme Linklater and Scott Jenson.

After setting out our strategic direction, this year was always going to be a period of investment – within the strict and conservative confines of stringent budget parameters.

As Simon will highlight, our revenue base this year – including growth in sponsorships, other commercial partnerships and game day operations – actually grew by 10.3 percent, but we did have increased expenditure; major elements of which include:

- Considerable and unbudgeted expenses for much needed field repair and maintenance at the commencement of the season; something that was non-negotiable and considered one-off. Several strategies are being undertaken to make the on-going costs and management of the fields more sustainable
- Increases in our playing and coaching program budget which is mainly about keeping pace with the increasingly competitive environment in which we operate
- Higher salary costs due to appointment of two executive leaders and additional roles – which have been tightened, but monies that have paved the way for our successes this year and going forward.

Please also note that from a revenue perspective, we did not hit targets for some key events such as the annual Test Lunch, Crosby Long Lunch and for reasons outside our control we weren't able to host our annual golf day (which will return next year). We host these and other events for a reason – from a social perspective for our members and supporters, but also critical as a revenue earner so we can deliver the rugby programs that a core club business. Can I implore all of you to get along to, and promote, such events and attendance at game days as much as possible.

As mentioned, Simon will give a more comprehensive insight and analysis of our budget position, but I want to reiterate to you and all members and supporters that we are not only getting this under control but are setting a strong and sustainable platform for the years ahead.

Redevelopment Project

I'd also like to give you a quick update on the redevelopment activity. As you know, at a macro level our plans have been put on hold due to the interfacing between the State Government, Brisbane City Council and plans for the Olympics. We've remained in touch with both parties as well as other key stakeholders in the precinct – Queensland Cricket, Racing Queensland, the Federal Government and the local community. I have to say that a few months ago I was a little questioning of the project – mainly because of our current financial priorities – but diving deep into where we are and what we need to do, and I can't thank enough Project Director John Shepherd and Graeme as Chairman of the PCG, I am personally very positive towards the planned approach and key aspects including timing, sequencing, programming and capital stacking for each phase. John and Graeme continue to work diligently on this and are making good headway, and I'm thinking that we'll be able to have a formal member update and briefing in the 1st/2nd quarter next year.

So, in conclusion, I would like to highlight and thank a few people who have all assisted in making 2023 a terrific season at the club. Firstly, to all of you and the other members of Brothers, our players, coaches and support staff, my fellow board members – and I do make special mention of retiring members Bernie Hogan and Jon Irwin both of whom are Brothers to their boot-straps, have made an incredibly significant contribution to the club over many years and I know will continue to do so in the years ahead, and to whom I will soon make a special presentation, I also acknowledge other retiring board members – Anita Fogg and Ben McCormack, the management and staff – Lochie, Steeley, Dayna, Karen, Nicole, Jason, Mitch and Ava, our wonderful sponsors and corporate partners, and of course the many thousands of supporters who bleed blue and white and make all of this so worthwhile.

Thank you and here's to another successful year in 2024.

Geoff Rodgers
Brothers Rugby Club President

TREASURER'S REPORT

I am pleased to present the audited financial statements and Treasurer's Report of Brothers Rugby Club ("the Club" or "Brothers") for the year ended 31 October 2023.

Financial summary

The financial result for the year ended 31 October 2023 was a net loss of \$349,909 (2021: loss \$65,761) and reflects the investment in the much needed facilities and resources which has provided the Club with a solid platform moving into 2024 and beyond. This strategy has already crystallised in pockets with strong growth in the Sporting and Economic segments of the Club and strong support from Community partners leading into 2024.

In arriving at the loss there were some strong positive growth coming from two of the Club's segments – namely Sporting and Economic.

	Sporting	Economic	Community	TOTAL
Revenue \$	928,022	863,058	620,211	2,411,291
Sales mix %	38.4%	35.8%	25.8%	100%
Increase / (decrease) % from PY	19.2%	40.3%	(21.6%)	10.3%

Sporting - The Club continues to have a strong foundation of members with 1,610 (15.6% increase on FY22) registered rugby players and 2,098 (23.2% increase on FY22) registered touch players. Income of \$784,350 generated from Sporting registrations represents a 19.2% increase on the prior year.

Economic – Food & beverage sales and profit contribution for the year of \$514,551 (2022 : \$325,540) and \$217,177 (2022 : \$126,832) respectively reflected the impact of changes made to the Club's offering in this area with a focus on enhancing the game day experience which resulted in an increase in sales income of 57.7%. The Club also received \$123,077 in grant funds which have been applied to capital facility works during the year.

Community – The principal contributors to the Community segment stem from funds obtained in respect of sponsorship and Club events. Sponsorship income of \$350,922 was similar to the prior year (\$369,147), however, the current year has been partially impacted by a doubtful debts raised in relation to 2022 sponsorship income which is now considered doubtful as the Club's 2022 major sponsor was placed into voluntary administration during the year. Income from Club events of \$175,068 represented a shortfall of \$149,304 from the prior year where attendees to the Club's premier event, Test Lunch, in particular were down.

TREASURER'S REPORT

Total expenses for the Club were \$2,761,200 (2021: \$2,264,863) and include the following significant expenses:

- Wages and salaries \$670,624 (2022: \$528,214) – reflecting the fact that FY22 did not have key executive positions in place for the first half of the year.
- Ground and facility management costs \$399,489 (2022: \$295,054) – the year was impacted by required field upgrade expenses totalling \$156,943 to repair and maintain the fields to ensure to ensure a safe playing surface is maintained. This is a “one-off” cost with the benefits now being seen where the off-season works required is minimal.
- Food & beverage costs – costs of \$297,177 (2022: \$198,708) reflected the increased business noted above with an overall favourable impact on the Club's financial position.
- Rugby & touch sporting expenses (excluding salaries and wages) – costs of \$466,904 (\$400,152) reflecting the increase in sporting members.
- Club administration costs (excluding salaries and wages) – costs of \$162,125 (2022: \$180,360) reflects a reduction in staff recruitment costs which were incurred in 2022.

Outlook

The focus for the 2023 year was one of operational restructure to provide a sound platform to ensure the growth opportunities of the Club are effectively and sustainably managed. In looking forward to 2024 the Club is well positioned to deliver a positive financial result. In this regard, the following actions are already in train:

- Registration and merchandise income is expected to grow 7%
- Sponsorship support is largely “locked in” delivering 15% + growth
- Events contribution is expected to return to 2022 levels with a focus on the Club's premier events and continued improvements to the home game experience
- Field and facility costs to decline 20% following the one-off costs required in 2023 to repair damaged facilities
- Kit and utility services to decline 15% following tender processes carried out during 2023.

The 2024 year is expected to provide a positive financial result whilst continuing to invest in facilities to ensure the sporting programs of the Club are properly supported.

TREASURER'S REPORT

Conclusion

As Treasurer, I would particularly like to thank the Club Secretary, Graeme Linklater, and President, Geoff Rodgers for the “everyday” support provided in ensuring we position the Club for future financial sustainability. In addition, the key members of the executive team, Lochie Lawrence and Damian Steele, I also thank for their diligence and strategic execution both in finance and operations. The commitment of the Club’s finance team (namely Nicole Elkington and Des Hogan) has been tireless and the Club is truly thankful for their efforts. Into 2024, I look forward to working with the Club’s Management Committee, sponsors, volunteers, coaches, players, members and supporters and be part of the movement to make Brothers the best sporting club in Australia.

GENERAL MANAGER – COMMERCIAL OPERATIONS

2023 has been many things to Brothers. It is the culmination of many small victories and a multitude of hard-won lessons. It is passion, determination and commitment combining to create an extraordinary result. But most of all, it is proof that this club's greatest asset is the myriad of people from all walks of life who call this place home.

Whatever it is, there can be no doubt... it has been extraordinary.

The Hospital Cup. The Doughty Shield. The Bunter Bowl. Premierships in Fourth Grade, Fifth Grade, Colts 1, Colts 3, Colts 4. Ten out of eleven teams making the finals series. A Junior U14s Premiership. Finalists in Girls 7 and Boys U16s. A record number of Touch football participants in all age groups. These are just some the headlines from a wonderfully successful year on the field.

Of course, our this has been complemented by a variety of off-field successes. Our match days saw a large increase in attendance and revenue generated compared to 2022, with standouts being our Ladies Day against Wests in which we set a new high-water mark for a single match day's taking, our match against historical rivals UQ and our final home game of the season against Easts. Meanwhile, traditional events such as our Annual Luncheon saw new innovations trialled with the support of Rugby broadcast partner Stan Sport and host a panel of Australian Rugby World Cup captains.

Of course, every year has its bumps and 2023 was no exception, with elements including maintaining our playing surfaces under such extreme utilisation and rising business costs requiring careful management and focus to navigate through. However, we have been able to use the opportunity to invest in these areas to identify many areas for improvement, all of which have been funnelled into our strategic planning for 2024. Rest assured, we are forging ahead on some exciting developments which will provide, what we hope, will be the next level in sustainable success.

To my colleagues, Damian Steele, Jason Neylon, Mitch Felsman, Dayna Cockbain, Nicole Elkington, Karen Nichols and Ava Tarabay; I feel incredibly privileged to be able to lead and collaborate with such a wonderful team of professionals. I also want to acknowledge long-time Groundsman Alan Anderson, who finished with us this year. This year's successes are as much yours as anyone else's, and you should all be rightly proud at all that has been achieved in the past 12 months.

To members of the Brothers Board, led by President Geoff Rodgers; I have truly appreciated the guidance and friendship extended to me over this past twelve months. I am grateful for the opportunity to continue serving this great club and look forward to the next year with optimism and excitement.

To our valued partners across all tiers of involvement; I hope that this club has made you proud. We do not take your investment in us for granted, and without your commitment we would not be able to achieve all that we have. I especially want to thank Principal Partner Robert Walters, as well as Major Partners Xenia, Ray White Ascot, Rohrig, Nielsen's, Tungalooma Island Resort, Rowland, Australian Catholic University and McDonald's. For those of you returning in 2024, we are excited to continue our journey together.

2023 has been a year to be proud of, and one I believe that will live long in the memory of our club faithful for many generations to come. But mark my words... will never stop striving to make Brothers the best that it can be.

Bring on 2024.

Lochie Lawrence
General Manager

RUGBY MANAGER'S REPORT

Dear Members, Supporters, and Friends of Brothers Rugby Club,

As the Director of Rugby, I am delighted to share the outstanding achievements and milestones that our club has accomplished over the past year, some of which have been well publicised, while others have been quieter, but equally satisfying, achievements.

Player Growth and Development Programs

We are pleased to report an increase of approximately 15% in our player base this year across Juniors, Colts, Women, and Grades. This growth not only signifies the expanding popularity of rugby in our community but also the welcoming and inclusive environment we have fostered at Brothers Rugby Club. The largest growth area was in our teenage girls and Women's space and with a continued focus, this will continue to grow in numbers and quality in the coming years.

Along with evolving our highly successful Elite Development Program, that ran for the 10th year in 2023, we introduced several other programs which were successful in attracting new players to the club and improving player standards, including: Youth Development Program, Emerging Girls Program, Women and Men's Senior Sevens, and an expanded version of the Crosby 7's (Juniors).

Welfare Program

Understanding that success goes beyond the scoreboard, Brothers Rugby Club has prioritised the well-being of our players. Our welfare program focuses on the physical, mental, and emotional health of our athletes, and general support for all club stakeholders. This year, we implemented initiatives to provide additional support to players facing challenges, reinforcing the sense of camaraderie that defines our club. The welfare of our people is an area that we will continue to prioritise through targeted and informal initiatives in the coming years.

Coach Development Program

Our commitment to excellence extends beyond the playing field to our coaching staff. A coach development program has been implemented in the junior club, aiming to enhance the skills and knowledge of our coaching team. By investing in our coaches, we ensure a sustainable and successful future for Brothers Rugby Club and this program will extend into the senior club in 2024 and will also include support for referees.

Doughty Shield Champions

One of the most significant achievements of the year was our triumph in the Doughty Shield. This prestigious senior "Club Champions" title is a testament to the hard work, dedication, and skill of our players, coaches, and support staff, and is a great reward for the strong on and off field cohesion amongst the senior rugby club.

Senior and Junior Premiership Success

The senior teams have excelled on the field, securing an impressive six premierships this season. This success reflects the depth of talent within our club and the effectiveness of our coaching and development programs. Our junior teams have also shone brightly, clinching two premierships, laying the foundation for a promising future.

RUGBY MANAGER'S REPORT

Professional Contracts and Representative Honours

The success of our players has not gone unnoticed, with several earning professional contracts and representing our club at higher levels. This achievement not only brings recognition to our players but also showcases Brothers Rugby Club as a breeding ground for top-tier talent. We are immensely proud of our representatives and wish them continued success in their careers.

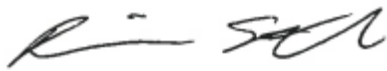

Looking Ahead

As we reflect on the achievements of the past year, we are mindful of the challenges and opportunities that lie ahead and eager to continue to evolve. Brothers Rugby Club is committed to continuous improvement, and we will work tirelessly to build on the successes of 2023. Our focus will remain on developing our players, supporting our coaches, and contributing positively to the rugby community.

In conclusion, I extend my sincere thanks to everyone who has contributed to the success of Brothers Rugby Club in 2023. It is the collective effort of players, coaches, volunteers, sponsors, and supporters that makes our club truly exceptional.

I am excited about the future of Brothers Rugby Club and look forward to another year of growth, success, and camaraderie.

Kind Regards,

Director of Rugby Brothers Rugby Club

MODIFIED RUGBY PROGRAM (MRP)

2023 was without a doubt the best year yet for the Brothers Modified Rugby Program (MRP) Community!

In 2024 Ginger Cloud Foundation's Modified Rugby Program (MRP) will celebrate a decade of delivering a world-first, touch-only modified form of rugby union with Brothers being our first MRP Club in 2014 with the pilot having only 16 participants.

Today, the MRP has over 300 Coaches, Player Mentors (Volunteers) and MRP Players in Queensland and the ACT who are active across our participating clubs.

In the MRP, neurodiverse young people (7-21+ years) with Autism, Down Syndrome, ADHD and other learning and perceptual disabilities (MRP Players) can play rugby with the support, guidance, and friendship of a Player Mentor (Volunteer).

Our Player Mentors are the magic and success of the MRP. These young adults make an impact in the life of a young person with disability in a deep, long-lasting way.

Our Player Mentors are young adults from rugby clubs, local schools and universities who provide guidance and friendship both on and off the field. These young adults support and encourage our MRP Players to have fun, feel safe and secure, be understood, experience success and belong. All Player Mentors have the chance to participate in Ginger Cloud Disability Inclusive Leadership Programs, where they are nurtured and supported as they develop into a generation of young people for whom disability is normalised, an exciting addition to their future success.

Brothers currently offer 5 divisions - Juniors, Colts, 7's, 7's PLUS and our exciting new division PREM's (full rule touch rugby).

Our Brothers MRP Players and Player Mentors also have the opportunity to participate in our NEW Player2PlayerMentor Pathway (P2PM), this incredible pathway supports our MRP Players to learn, explore and experience leadership skills, via an e-learning animation series so they can then support other neurodiverse young people on and off the rugby field.

Our MRP Clubs support us in creating a space where neurodiverse young people, their families, carers and friends are included in the club community, a place where they can experience the sheer joy of being in a team sport, often for the first time.

MRP Season runs from April – July each year.

MODIFIED RUGBY PROGRAM (MRP)

Background:

GingerCloud's MRP is a world first, modified form of touch only rugby where with Autism, Down Syndrome, ADHD and other learning and perceptual disabilities (MRP Players) can play rugby with the support, guidance, and friendship of a Player Mentor (Volunteer).

The MRP aims to move our MRP Players off the sidelines and into the main game.

The MRP was created by GingerCloud Foundation (whose co-founders are a family from Brothers Megan and Anthony Elliott) with the support of the Queensland Rugby Union (QRU) and Rugby Australia (RA).

In 2023, rugby clubs hosting MRP teams stretched from Sunshine Coast to Canberra with young people with disability participating across five MRP divisions, tailored specifically to meet their needs.

CLUB CAPTAIN'S REPORT

Dear Brothers Family,

It is with immense pride and gratitude that I reflect on the remarkable achievements and moments that defined our 2023 season. This year's incredible success was a testament to the unwavering dedication, hard work, and spirit that characterises our great club and its members and players.

It would be remiss of me to not begin by reflecting on the Premier Grade team's success in clinching the prestigious Hospital Cup. A day I'll never forget. What stood out for myself, and I am sure many in the Brother's blue that day, was the meaningful involvement of players nurtured and developed through the internal pathways of the club. Dom Fraser, Isaac Tarabay, Will Wilson and Captain Noah Nielsen were all once regular 3rd grade players, playing at 11am on field 2, and had worked their way to the Premier Grade, optimising the "Brothers Way".

Our success extended across all teams this year - 10 teams in finals, 7 in Grand Finals and delivering an incredible 6 premierships. This reflects the commitment and talent displayed by every player, coach, and supporter throughout the season. And a special mention to our women's program which saw significant improvement and growth under the trusted eye of head coach and Coach of Year winner - Tony Wall. 2023 also saw the club win its 28th Hector R. DOUGHTY SHIELD, a true reflection of our dominance across all grades throughout the year.

Our on-field achievements in 2023 are nothing short of significant. For me 2023 will be remembered however for more than the numbers in the winning column and the trophies in the cabinet.

Beyond the rugby field, we emphasised the core values of the "Brothers Way": Respect, Integrity, Humility, Trust, and Legacy. I am proud to say that the players, coaches and supporters embodied these values both on and off the field throughout the entire year. This was highlighted in our annual Working Bee which saw over 90 players and supporters cleaning and painting our great club on a Saturday morning. It is moments like these that reminds me of how special this club is. As your club captain I am immensely proud of each of you.

In closing, a special thanks to Co-captain Paddy O'Connor, Director of Rugby Damian Steele, General Manager Lochie Lawrence, President Geoff Rodgers, and the entire Brothers staff, volunteers, and, most importantly, our players. Together, we have created a season to remember, and one we should be so proud of.

It has been an absolute pleasure being able to lead the playing group of this great club in 2023.

There are Brothers and there are others. Bring on 2024.

Nick Cross
Club Captain

ROHRIG ELITE DEVELOPMENT PROGRAM (EDP)

The 2023 Rohrig Elite Development Program, once again set new records for the program in its 10th year anniversary. The continual evolution of the rugby program at Brothers also saw the evolution of the EDP to be at the forefront of high performance offerings for players and coaches.

Due to the success and history of the program, in 2022 we held a talent identification camp which saw over 60 identified school leavers invited to a 2 day camp in order to assess talent and to gain an early touch point for our recruitment strategy. This was then followed by our selection camp held in January of 2022 which saw over 50 players invited to trail for the 2023 EDP program. Due to such outstanding talent and interest within the program, it posed several positive selection headaches, however a squad of 25 players were selected to participate in the High performance Camp located at Gold Coast Performance Centre in early Feb.

Our 2023 program was split in to three main themed blocks where each block was season specific and aimed at developing the holistic human being. These blocks were developed to compliment our positive player approach of our three key selection criteria of Person, Player and Potential. As the program has grown immensely due to its success and reputation, our 2023 coaching staff also grew to further develop the professionalism and offerings of the EDP. A massive thanks to Tom Court, Dallan Murphy, Lachlan McKenzie, Brent Matchett and Eduardo Espinoza for their assistance throughout the year in delivering an outstanding on and off field program for our athletes. A special mention to Damian Steele for his huge contribution and involvement within not only the program, but the entire club to ensure the program was aligned with all desired outcomes of teams and coaches.

The 2023 season boasted another record-breaking year of achievement which included an outstanding 13 premier grade debuts, 2 Professional contracts, 5 Super Rugby debuts, 4 Academy Contracts, 6 Super Rugby 19's debuts, Colts 1 and 2 premierships, Premier Grade Premiership and Doughty Shield Champions. The achievements are truly outstanding and a testament to the entire playing and coaching group involved within the program and club in order to achieve such results. Our awards night certainly had much to celebrate which saw Leo McCarthy take out the Player of the Year, Jack Harley with the Rookie of the Year and Harry Grant taking out the Program Leadership award.

Of course, a program is not able to run without the help of fantastic staff and sponsors. A special thanks to the outstanding work our team has performed behind the scenes in order to make the program even more successful in season 2023. A special mention to our program Nutritionist, Imi Houlahan for her outstanding work in keeping on top of our player nutrition plans throughout the year.

As always, we thank Glenn Rohrig for his continual support for the club and the program itself and our current program partners who have greatly assisted in keeping the program as successful as it is. Congratulations to all players involved, we are looking forward to further enhancing the program in season 2024.

Program Coach: Damian Steele
Program Manager: Jonathon Roussetos

TOUCH REPORT

Junior Competition

Brothers Junior Touch was delighted to see once again a rise in participation numbers and quality of play. Below is this year's team statistics within their divisions. Once again, we unfortunately couldn't offer Boys Touch in Season 1, however we grew in every other division across both seasons. We continued with our focus referee development bringing in Lawren Sullivan in a Referee Mentor role. Lawren ran 2 Level 1 Courses and a Level 2 course. This year we also focused on improving the quality of our teams. We held numerous open-invite development camps/clinics and with the assistance of our Coaching Director (John Bourke) we held a foundation coaching course as well as information nights for our coaches aiming to upskill and pass onto our players. We also released a Players Skills sheet to all coaches. This document contained the core skills relevant to each age groups, specific training drills to use as well as video footage for guidance.

Season 1	18	NA	16	NA	13	NA	10	57	40	49
Season 2	32	11	20	9	21	8	21	122	104	84

Approximately a total of 1,835 Junior Touch Registrations in (1584 in 2022)

Little Touchies

Our third year of Little Touchies was another success with overwhelming numbers of registrations of future stars aged between 5-8. We once again ran the program during every school term on Tuesday afternoons and Saturday Mornings. Participation numbers can be seen below. Thanks to our knowledgeable and friendly coaches, these participants now have the basic knowledge and motor skills to step into their first year of competition when they reach 8 years old. Whistle this year's program numbers are smaller than 2021, this is pleasingly due to the result of these young players now having the confidence to step into our Under 10s competition at an earlier age (Hence the huge numbers of Under 10s as above!)

	Term 1	Term 2	Term 3	Term 4	TOTAL	TOTAL (2022)	TOTAL (2021)
Little Touchies	55	21	19	40	135	180	132

Super Series

Our third Annual Mixed SuperSeries was another enjoyable experience for our Senior players. This year saw 4 highly talented teams take the field in our 10 Round competition. Once again, we were delighted to see the quality of players that came through our registrations with multiple National and State representatives. Thanks to our team captains Scott Prince, Rae Barker, Kim Sue See and Cole Waaka who were valuable assets to this competition. Also a big thank you to all our referees who gave up their Sunday afternoons for us to have a competition. This year Moana Pasifika won the competition in a tight final against the Blues after trailing by 3 early in the second half. Congratulations to Scott Prince and his Moana squad!

TOUCH REPORT

Junior Representative

This year saw our Junior Rep Program progress in leaps and bounds! Starting the year off with 2 open-invite development camps prior to our 2 weeks of trials made for difficult selecting for our coaches. This year we fielded 6 teams that competed at Gold Coast, Redlands and Graceville Carnivals prior to Junior State Cup in Rockhampton.

- Under 10s (Coach – Grace Bradley)
- Under 12s A (Coach – Lisa Baisden)
- Under 12s B (Coach – Kane Stockhill)
- Under 14s A (Coach – Nic Harman & Jason Fogg)
- Under 14s B (Coach – Nic Harman & Jason Fogg)
- Under 16s/18s (Coach – Greg English)

Season highlights

- Under 12A and 14A runners up at Graceville Carniva
- Under 10s runners up at Gold Coast Carnival (Development Division)
- Under 10s Undefeated however finishing 3rd at Junior State Cup (Development Division)
- Under 14As qualifying into the Championship Finals at Junior State Cup
- Under 18s narrowly missing Semi Finals in Championship division at Junior State Cup (Finishing 5th)

A huge thank you is due to our coaching director John Bourke, Program coordinator Wendy Hopsick and all our coaches and managers. The Junior Rep Program is a very long one and we can't thank you enough for your commitment for these girls!

Metro Cup

Firstly, it's my pleasure to report that our Men's Division 1 won the title for the second year in a row at the tail end of 2022. Well done boys!

Our Metro Cup program for 2023 was another fantastic effort by all. The journey started with trials in early June which resulted in Brothers enrolling 8 teams into the tournament. At the time of writing this report, our Men's Division 1 and Women's Division 1 are competing in the Semi Finals. I'd like to thank all coaches and managers involved, plus John Bourke again who took on the role of Coaching Director and did a fantastic job. Good luck to all players for the remainder of the season.

TOUCH REPORT

Senior State Cup

Firstly, it's my pleasure to report that our Mixed Open won Brothers Touch first ever State Championship at the 2022 Senior State Cup at the tail end of last year!

This year Senior State Cup is due to take place at Coomera from November 24th-26th. This year we will be entering our Women's Premier side and our Mixed Open's who will be looking to defend their title! Good luck to all involved.

CLUB NEWS

TONY SHAW --- PAUL MCLEAN STAND

The Round 6 home game against GPS on Saturday 6 May 2023, was a special day with the naming of the hill on the western side of the Jack Ross Oval to the Tony Shaw - Paul McLean Hill in acknowledgment of the contribution these two men have made to Brothers over the last 50 years.

DES HOGAN OVAL

The Round 13 home game against Norths on Saturday 24 June 2023, was a special day with the renaming of the bottom oval in the Brothers Rugby Crosby Park precinct from Vic Walsh to Des Hogan Oval.

A truly once in a generation event for the Club, with the last time this type of honour was marked was the naming of the No 1 oval, the Jack Ross Oval back in 1972.

Des began his association with Brothers as a player straight out of school from St Columban's College which was just up the hill at Albion Heights and has been a player, coach, manager, volunteer, committee member, tour organiser, office bearer and clubman. He has been involved with the Club's sub-junior (U13-U17), junior (U18-U19) and senior (open age groups) sections of our Club, from 1954 to 2023, and 70 years' service.

As a player Des played in Reserve (2nd), B (3rd) and C (4th) grades teams for Brothers between 1954 to 1959.

He has worked tirelessly as the longest serving Treasurer of our Club, from 2001 to 2014 to ensure the ongoing viability of the organisation and at our lowest point was probably the person who worked the hardest to save the Brothers Club from extinction. As the Chairman of both the sub-junior and junior sections of the Club through the 70's and 80's, he worked tirelessly to ensure the both the players & parents embraced the Brother ethos and worked towards the betterment of the Club.

CLUB NEWS

Des also served as a committee member and deputy chairman of the Brothers Union Club (Brisbane) Ltd during the early 1980's.

Des has given a lifetime of service not only to his Club, but the code of Rugby football across Greater Brisbane. He has served on several sub-committees within both the Queensland Rugby Union and Queensland Junior Rugby Union with distinction.

Des has not only been involved with our Club between 1954 to 2023, but with a number of community organisations based around Crosby Park precinct and greater Brisbane region. Des has worked closely with both Queensland Cricket and Meals on Wheels, as the Brothers Representative (2001-2015) as they share our site at Crosby Park in Albion, to ensure a mutually beneficial relationship between our Organisations. These positive relationships ensured the continued lease renewals that have ensured that Brothers Rugby Club has called Crosby Park for nearly 75 years.

Des has also been Brothers Representative to the Southside Bingo Trust (1999-2023) for over 24 years, where he was responsible for working with the other stakeholders in the Trust like, to ensure a successful and sustainable relationship developed between our Club and other Community based Organisations.

Whilst stationed in Adelaide from 1973 to 1977, Des along together with another parent of boys at Rostrevor College, was instrumental in getting rugby introduced into the Independent Schools Sports Association of South Australia system and a rugby union competition was established due to this trailblazing work.

Des worked for the Pioneer Concrete Group from 1962 until his retirement in 1998. He worked in various states across Australia in a variety of senior accountancy / management positions. For the last 14 years of his career with Pioneer he was based in the Sydney Head Office and was the Group Financial Controller for Australia.

Des has demonstrated that his example and service to the Club and Community is contagious as now his children and grandchildren have all been involved with our Community. He is a shining light and mentor to people and demonstrates the "Club First" ethos that he lives by.

TEAM REPORTS

1st Grade

CLUB CHAMPIONS; PREMIERS; Winner of the Hector R. Doughty Challenge Shield, Hospital Challenge Cup, Geoff 'Bunter' Shaw Challenge Cup, Templeton-McLean Cup, Pilecki-Shaw Cup, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield

As we embarked on another pre-season at Brothers, there was a different feel to this group from the outset. The pain of the year before was certainly at the forefront of the players and the staff's minds.

With another 50 players embarking on the journey, starting in November, we knew we were building a squad to challenge for the Hospitals Cup.

With some senior players finishing up at the Club we had to recruit a couple of experienced men to guide this young squad through. Harry Lloyd, Brad Hemopo & Michael Bond were the perfect fit for this group.

With a Bye in Round 1 we travelled to Sunnybank (A) with a team captained by Noah Nielson to start off the season. A comprehensive win was followed by 3 more victories against Bond (H), Norths (A) and our old foes Uni (H). Round 6 saw us lose our first game against GPS (H) but we bounced back the following week against Souths (A) with a gutsy 29-26 win. The following 2 weeks were the toughest of the year with a number of players missing through injury and Representative duties we lost both games to Wests(H) and Easts (A) before we headed off for our 2nd bye of the season with a 5-3 record after the 1st round.

The start of the 2nd round had us playing a 3-game stretch before a competition bye. A good victory over Sunnybank (H) followed by a loss against Bond (A) and another convincing victory of Norths (H) took us to the break sitting with a 7-4 record.

With 5 rounds to go and a really tough schedule to finish the year we had to win 4 out of our last 5 to get into the finals. A great win over Uni (A) followed by a loss to GPS (A) made sure the finals were going to be a tight race.

With the return of Harry Wilson, Hamish Stewart and Lawson Creighton we were ready for the run into the finals with a victory over Souths (H) and then a statement win over Wests (A) which gave the whole squad a belief that we can win the entire comp. Our last game of the year against Easts (H) was a magnificent day for the club with a Back to Brothers Day which saw a huge crowd turn up. A great win with the highlight being the Prem Grade debut of Mitchell Frearson who has toiled away for years at Brothers in the grades program.

Week 1 of the Finals saw us take on Easts and even though down at half time we finished way to strong with a 46-29 result.

The belief was certainly there for all to see and as the players took on more control of their outcomes we knew if we performed well against Bond we would go into the Grand Final very confident. With a 19-12 halftime score and a lot of mistakes early we managed to click in the 2nd half and ran away with it 42-17.

TEAM REPORTS

1st Grade

With our 1st GF appearance since 2019 and some players having experienced that loss, we were determined to not let this one slip away. With a full week ahead of us we decided less is more in these weeks so after a good session on Tuesday night we just had 2 field sessions to get us tuned up for Ballymore.

Although wasting a couple of early opportunities and with Wests seemingly scoring at ease off our mistakes, we were quickly down 0-19. We understood how important a score would be before halftime so we went to our driving maul which allowed Dom Fraser to score the 1st of his 2 tries.

Down 5-19 at the break we recognised that composure, belief and trust were what we needed in the 2nd half. With the boys determined to not go into their shell we came out in the championship quarter and put on 3 tries after 60min. With a 26-24 lead with 20min to go it all came down to who trusted their teammates more. Some outstanding individual performances from Tim Ryan, Dom Fraser, Will Wilson and Harry Wilson as well as team defence that will go down in folklore, we managed to survive the last 2min of the game. With Wests producing a driving maul with time up on the clock a score would secure them victory, however with a total team commitment of true Brothers men, we stopped the maul and secured our 1st Hospitals Cup since 2016.

I would like to take this opportunity to thank all of the staff, Tom Court, Carl Marshall, Tim McKellar, Gav Hosking, John Druey, Ian Astbury, Nik Superina who have all contributed so much to the year. It was a fantastic group of coaches and support staff and made the year a very enjoyable program to be a part of.

As well as the staff the only way a club like Brothers is successful is through the commitment from everyone at the club from Geoff Rodgers and the board members right down to the ball boys on a Saturday afternoon. The support that the Premier Grade Program receive from everyone involved is the envy of all other clubs.

Lastly to the players, thank you for the trust and commitment that you showed in the program. We based the year on an extended squad and everyone striving to get better each week. We successfully achieved this with the most harmonious group of players I have been involved with.

It is a year that we will always be recognised for, and will go down in the record books as one of the most successful in the Clubs history.

Despite a loss momentum at the business end of the season, the team should feel extremely proud of what they achieved throughout the regular season, where they won 15 from 16 games & secured the minor premiership. Demonstrating an entertaining style of play marked by skill, toughness and dynamic rugby, the Butchery were regularly kept on their feet!

One of the most positive aspects from the season was the team's ability to maintain resilience in the face of challenges. They encountered and successfully navigated various obstacles throughout the campaign, with several games being decided in the final minutes. Trust and confidence in each other, along with impact from the bench, ensured they always remained in the fight. As in previous seasons, it's always rewarding to witness players' growth and development when opportunities are presented, particularly enthusiastic colts tasting opens rugby for the first time.

Whilst hugely disappointed with back-to-back defeats in finals games vs GPS & Easts to end the season prematurely, some tough lessons were learnt which will benefit the group in seasons to come.

The team was led by experienced campaigner Jackson Evans, and with the support of Nick Cross, Izzy Tittor & Matt Munday provided the perfect direction for the group advance for which I'm hugely thankful. A well deserved congratulations to the recipients of the team awards! Hamish Muller (Best & Fairest), Matt Munday (Players' Player), & Jackson Evans (Brothers Medal).

Finally, I'd like to thank coaches Andrew Coady & Chris Ryan, along with Team Manager Sheldon Alcantara for their collaborative efforts & support throughout the year, a very enjoyable season!

TEAM REPORTS

3rd Grade

CLUB CHAMPIONS; Preliminary Finalist, Champions of the First Round; Winner of the Hector R. Doughty Challenge Shield, Harry Edwards Memorial Cup, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield

The 2023 season for 3rd Grade promised to be one of redemption and grit, with a goal to return to the big dance which eluded this group in 2022. Our season was a culmination of tough wins, heart-breaking losses and a lot of fun had by all along the way.

The 2023 season was a compelling chapter for our 3rd Grade program at Brothers. The players involved within this group showcased remarkable growth, not just in their rugby skills but also in embracing the values of the Brothers Rugby ethos. The season's highlights include significant victories against a fiery Easts side in Round 9 and Wests in Round 17 who were looking to make a finals push, marking pivotal moments of success for our squad.

Despite the highs, the season also presented challenges, and a particularly tough season-ending draw against GPS in the preliminary final proved to be the final challenge we couldn't overcome. This match, whilst ending in a draw, served as a valuable learning experience for our 3rd Grade contingent. This highlighted areas for improvement and resilience, contributing to the overall character development of our team.

Participation and engagement were integral to the success of the 3rd Grade rugby program this year. Leading from the front, our captain Mitch Frearson guided the side with outstanding leadership and as we saw a plethora of players don a 3rds jersey this season, the players continually displayed consistent commitment to our overall goals and objectives for the season which saw young guns like Jack O'Malley and Charlie Condon really rise above this season.

The 2023 season showcased a tapestry of victories, challenges, and character-building moments for 3rd Grade. As we reflected on moments that were a big 'what if' for us, it was evident that the 2023 season was an enjoyable one for all. I would like to thank the entirety of the coaching staff for the lower grades program for their tireless efforts and support throughout the season. Many thanks also go to head coach Daniel Moussa and manager Matt Hopping for their efforts and commitment to the program. Your work did not go unnoticed! Congratulations to all on the 2023 season, bring on 2024!

4th Grade

CLUB CHAMPIONS; PREMIERS; Winner of the Hector R. Doughty Challenge Shield, 'Bert' Bickley Cup, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield

A wonderful season for the Filthy 4ths in 2023 culminating in a grand final performance that was one of the best defensive efforts we have ever seen.

Coming off the back of a grand final loss last year there was a lot to prove in this team that we could go one step further this year. With the addition of John Burton (JB) to the coaching ranks. We were a lot more tactically aware this season than previously with a third set of eyes watching on.

The season got off to a good start and we looked like one of the top teams once again in the comp. Injuries hit the higher grades and some key players were taken up to 3's so we visited the well that is 5th grade – we brought some players up that concreted themselves into the 4th grade pack. One of these players Robert Hickson, captained our team to the grand final.

We had beaten each team this year comprehensively with the exception of Souths and one game against Wests that we didn't turn up to. The game at Wests was a turning point for the team. We saw a noticeable lift at training in the team and their attitude which put us in good stead for the finals.

We were ready to take on a highly confident South's team in the major final at North's. Souths had a start studded team, very strong across the park. Although not beating them in the season proper, we met them in the Semi Final winning by a point on a penalty reversal which saw us through to the GF after some very good luck on a penalty reversal and Souths, with a prelim to play against Uni who they accounted for easily. Onto the Grand Final.

The grand Final was a great game to watch and the old saying that "defence wins grand finals" ran true. We took the space away from Souths, making them play a lot more footy than they wanted too. We made our tackles count and when we attacked we did it at full pace. South's then started to go away from what had worked for them all year and went looking for answers – of which there were none. The Brothers boys had done a great job and won the GF – the first time since 2009 (I think).

Standouts for the year. Were Zac Mills, who was our best and fairest by a country mile. Some of his efforts throughout, the year were herculean. Joshua Kefu, new to Brothers this year, fitted in perfectly with the group and established himself as a great leader, excellent footballer and was our best forward this year. The best back was Hugh Harvey who played the house down all year and scored a try in the Grand Final which I'm sure every person in Europe knows too.....

Our brothers medal this year went to Ben Astbury who had a fantastic year. New into the team, Ben slotted in well and showed a level of maturity in steering the team around. I want to put a massive wrap on him for having the ability to change the way he naturally played football to suit the team and developed into an excellent organiser and leader around the park who got better every week was a deserved recipient of our teams most prestigious award. The added bonus this year was the late season inclusion of Brendan Bell returning from a long injury with a few weeks to go in the season, his professionalism and leadership as well as his excellent skills were the final piece of the GF puzzle for our road to the grand final victory.

TEAM REPORTS

4th Grade

Big thank you to our Managers, John (JD) Diamond, Damien Janbroers & Dave Cox who chimed in late but was a welcome addition.

My fellow coaches, John Burton (JB) was excellent this year, making an excellent contribution and gave great insight into our backs and team.

And of course, my old partner in crime Liam “Bonkers” McKeown who once again managed the forwards and set peace to the high level we expect of him, bringing players through the ranks and, as always, having the unique ability to get the absolute best out of our players.

Big Shoutout to Steeley for a great effort this year. Thankyou.

Bring on 2024

Yours in Rugby,

Jon Irwin, Liam McKeown, John Burton.

The catalyst for 2023 was a very frank conversation in the dowdy dressing sheds at Easts after a 39-7 drubbing by the Tigers. 'Brothers of old' was the parting message: aggression, commitment, and self-belief – the key ingredients to turning our season around and getting Fifth Grade back as the cup's kings!

Finishing in second place and going into finals with the underdog tag firmly intact, we faced undefeated Souths and lost for a third time. Promising signs emerged, nonetheless. In the Preliminary Final, we dusted the Students in an outstanding display at Sunnybank. The pieces of the puzzle were forming for a final crack at the Magpies in the last tango for season 2023.

On Grand Final day, a laser like focus emanated from the group, we were on! Final outings for Jimmy Vail, Tim McKellar and Adam Nixon, spliced with a tribute to Lance Corporal Jared 'Crash' MacKinney, who fought with Adam in Timor and passed away in Afghanistan, motivated the players even further.

Three tries to cheese connoisseur Davis Smith, along with precision kicking from Alec Bodimeade, had Brothers leading 40-17 just after half-time. Souths, as expected, came back, 40-36 with the Fat Lady ready to sing. To the consternation, then relief, of the poor manager who with one minute to go had both CPR & a defib on standby, Callum 'Peaky Blinders' Bowie pilfered the pig's skin and Dr Mark Wylie rifled it into touch. Game over, the brethren victorious! We had done the impossible, we had bloody won!

Wild celebrations and slipovers engulfed Ballymore. Later that night, the Green Shed Bar rocked: Yoshi's Gangnam Style, cigars, rum, more slipovers and paint stripping hangovers – the DNA of Brothers Fifth Grade – hallmarks of an unbelievable year with unbelievable people.

To the Brainiacs: Mike, Peter and Adam, your persistence, dedication, and determination was second-to-none. Your work behind the scenes was immense. You earned it, well done! It was a pleasure being your manager. To hydration and sugar dispensary experts, Tiff and Connor, thanks for everything! To Gatesy, our beloved number 1 ticket holder, shirt designer and fellow manager, cheers! Thanks also to Greg Burke for your guidance and advice during this season.

To the players, ably led by Matthew Lo Grande, well done, gentlemen! Your talent, willingness, and dogmatic self-belief is testament to yourselves as individuals and esprit de corps as a team. We are immensely proud of you! Hats off to award winners: Nick Fraser, David Tyquin & Peachy.

Congratulations to the other five Brothers teams who won premierships and to Damian Steele our director of rugby. We created history. Now onto season 2024!

44 registered players; youngest 15; average age of 21 and 20 debutants – what a season! A season blended with experienced rugby players, new to footy players, 7's, Touch & even a little AFL – all coming together to create a wonderful team. The team displayed courage, resilience, a willingness to support each other and embrace new players, a want to apply, grow, learn and most importantly a commitment to give it their all, for all. With two wins this season and scoring more points than in the previous 3 seasons combined, this season has provided a great platform for further improvement and victories next year.

Our team growth through first the round was clear, with the second half of the season simply impressive! Even more telling was the way we continued to improve despite our opponents being boosted by the returning Super W and Wallaroo's to the QPR competition. A lasting memory will always be the 'end of game team huddles' with the opponents and the glowing praise our opponents gave to our team week to week, about how they played; the obvious growth and acknowledgement of what we are building here at Brothers.

Awards for the year went to Becky Davidson - MVP; Jeniffer Ravutia and Kirra Burke - Players Player's and the Brothers Medal to Mabel Johnston. Notable achievements for the season included: Mabel playing every match (16), Meredith & Evie playing 15, Becky, Laura and Averil (new to footy and in the front row!) each playing 14 games. Six of our players were selected for Challenger W – Nina, Becky, Jen, Doreen, Bre and Evie. Highlight of the season was the Monday training session after 3 heavy mid-season losses, when we had 29 players turn up to training to prepare for the next game - that is resilience, that is commitment, that is rugby and our pathway to a solid foundation to bettering our performance for the balance of the season. Topping off season 2023 was Kirra winning the Crosby Gift; a great turnout by the W team numbers in attendance at Trophy night; Georgia playing her 50th 1st Grade Game and the re-commencement of the Brothers Women's 7s program.

Big thank you to all the staff who facilitated an environment in which everyone can thrive. Coaches Gordie, Tommy, George, guest coaches Ben H, Ben McC, & GA, Sammi S&C, Manager Don with assistance from Bec. Shout out to Will for Junior player development. Kudos to Nave & Colts 3 as our weekly game scenario opponents. A massive thank you to the Club leadership, Damien, Lochie, Geoff & the board, and the support from the entire Club Players, Volunteers, and supporters. And finally - Thanks Jo.

Onwards & Upwards,

With a large intake of new players in 2023, a small group of returning colts and players coming from other clubs, connection formed a big part of our planning for our pre-season block.

We hit the group running, with a focus on areas of our game we needed to improve on from 2022 campaign. During trials so we could give opportunity to all players with the squads, the introduction of a leadership group brought value to the group as well providing an ear to the coaches for the players.

Round 1 was full of different learning. slowly loading our players with game planning with tactical periodisation to ensure learnings where retain to give us the footprint on how we wanted to play the game. We had a tough loss to Souths at Souths, and we learnt some valuable lessons as group.

Round 2 was a great opportunity for us to express ourselves. We also built resilience and learnt how to absorb pressure and play from the back foot which held us in good stead for finals footy. We have some close games at the back against East at home and a tough lose to Souths at home.

We ultimately achieved our KPI from the start of the year and won the premiership. Really proud of us as a group on how we adapted and executed during the finals campaign. It was a great reward for the group and memories the boys will share.

The Colts program had a very successful year.

- Colts 1 Premiers
- Colts 2 Minor premiership & Grand Finalist
- Colts 3 Minor premiership & Premiers
- Colts 4 Minor premiership & Premiers

This year we took the opportunity to continue to develop the colts program to create a space for players to perform to the best of their playing ability within the program with a culture of competition and learning. As well as preparing the lads for grades footy in 2024. We had great success with colts aged players making their 1st grade debuts together with 14 of our players player representative footy at season end.

I also want to acknowledge and give thanks the coaching staff that worked tirelessly all year James Pritchard, Ben Hyne as well as Colts 2 coaches Josh Neilsen, Jack Hawksley & Simon Owens

A big thanks to Brent Matchett our manager & Lachie Mackenzie our S&C who both put in every week behind the scenes making sure the players and coaching staff were prepared at training and for game days.

Lastly massive thanks to our Captain Tanna Wilson and our leadership group, Will Cartwright, Harry Grant, Oliver Havery & Finn Prass who worked with the coaching group during the season and lead the boys exceptionally during the year.

Colts 2

CLUB CHAMPIONS; Grand Finalist; Minor Premiers; Winner of the Hector R. Doughty Challenge Shield, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield

The Colts 2 group for 2023 were an eclectic group of young men who were skilful, cheeky, hungry for success and willing to work hard for each other every week to achieve success. We started the season well with 13 consecutive wins and some outstanding individual and team performances along the way. With an in-season record of 15 wins and 1 loss at the end of the regular season, the team's consistency throughout the year was outstanding. Their ability to continue to learn and grow as the season progressed was exceptional.

Special mention to Jackson Dows, the 2023 captain of Colts 2, his leadership and direction was first class. With players constantly moving in and out of our team due to promotion and relegation from Colts 1, the team forged a tight bond that ensured a strong sense of unity so no matter who came into our side, they fit straight in, hit the ground running, enjoyed the environment they were in and performed at a high level. The 2023 season for the Colts 2 team was bittersweet for all involved as we had an excellent season but unfortunately couldn't get it done on the day that mattered, leaving us longing for that elusive grand final victory.

With 11 of the starting 15 from the grand final returning to colts in 2024, they will enter preseason highly motivated and driven to go one better in 2024. The future is bright for this group of young men. I am extremely proud of their efforts, and I look forward to watching them all achieve their goals in 2024.

Colts 3

CLUB CHAMPIONS; PREMIERS; Minor Premiers; Winner of the Hector R. Doughty Challenge Shield, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield

Colts 3 for 2023. We had 10 returning Colts players from previous years with two new coaches to start the season and predominately new squad. Our numbers were good and we started the short 10 game season undefeated during the first round. This proved to be a bit of a mill stone as the boys were thinking of an undefeated season. We started the second round with a loss to Uni 30-33, the team we would meet in the Grand Final. This served as a learning experience for the team who then went on to win their remaining games although the opposition teams had raised the level of competition and our boys struggled at times. Come the GF and the team was ready for the game at Ballymore. Uni proved to be a very worthy opponent and tested our boys the whole game. Our boys didn't give in and finally started to play rugby in the second half to take the win 22 – 10. Colts 3 utilized 49 players during the year. Our for and against ended up 400 to 149 this does include our trial games. We scored 63 tries. Hopefully most of the team will be back for another season in 2024.

- Garth Caswell

Colts 4A

Undefeated PREMIERS; Minor Premiers; Winner of the R.A. Tuckey Cup

The Brothers Colts 4A team enjoyed another extremely successful season, ending the year as undefeated Tuckey Cup Premiers two years in a row. The Colts 4A's unblemished 38 game winning record is a testament to their hard work and commitment to the game, and they have truly continued to prove that they are the team to beat in the Tuckey Cup competition.

In addition to the remarkable success on the field, the Colts 4 program is proving to have an exceptional player retention rate and it continues to provide a pathway for Colts players to join the senior grade teams in the future, and for junior Colts (i.e. under 18s players) to gain early exposure to the senior Colts program.

The Thursday night playing schedule has also remained popular amongst the players who may find it difficult to commit to the traditional schedule of training during the week and playing on Saturdays. This playing schedule caters for those players whilst still providing an opportunity to play a competitive level of rugby and develop rugby skills and experience.

The coaching staff would like to thank and express our gratitude to the players, their families and our club sponsors to which we share the attribution of our success. We couldn't have achieved our successes without each and every one of you. Here's to more great seasons ahead! Thank you for being an amazing part of this team and club.

Regards,

Connor, Tony and Craig

Under 6 Blue Report 2023

The 2023 U6 Blues had a fantastic season. For a young shy Team with little skill base at the start of the season they really came together and become confident little players who were willing to have a crack.

The development and progression of skills throughout the year was a pleasure to watch.

To cap a great year off they finished off the year on a high with a on the buzzer away win versus GPS.

Lachie Asprey

U6 Gold Report 2023

The Under 6 Gold Team comprised of a group of 10 energetic Prep students from St Agatha's Primary School. For a lot of the boys, this was their first time playing rugby. The boys had a highly enjoyable season with some of the highlights including:

- The boys showing wonderful improvement across the board particularly in defence thanks to a few training games of "Ship, Shark, Shore".
- The boys providing their fellow players with fantastic feedback when nominating their selection for the Brother's Medal demonstrating great camaraderie within the team.
- A great show of sportsmanship from our boys who opted to help the opposition team when they were short on players and play for them.
- A real team effort from the parents with everyone helping out at various stages whether it be during training or game days.

Overall it was a great first season for the boys, which saw them improve their skills significantly whilst having fun at the same time.

U6 White Report 2023

The U6 White team comprised nine players from three different schools. The majority of players had come through the Little Bros ranks however there were a couple of new players who had switched from other codes and were new to the world of Brothers Rugby. The U6 White team had a successful season and won most of their games. The highlight of their season was travelling to Logan and playing a very strong team who our boys managed to tie with. Our team was fortunate to have a supportive group of families who all participated and contributed in their own way whether it be through assisting with training or bringing the half time fruit. One of the player's older brother from U9s was a supportive and encouraging role model for the team and cheered them on from the sidelines at every game. Bring on the 2024 season!

Brothers U7 Red – Season Report 2023

2023 was a fun, enjoyable and successful season for the Brothers U7 Red team. Over the course of the winter, all players showed signs of improvement, positive attitudes and a firm commitment to being part of the team. While there were many individual highlights (length-of-the-field tries off kick-offs, desperate chases in defence, even multiple passing phases by the last match), the U7 Red side should be most commended for their great teamwork, inclusivity and participation. They should also be congratulated for the spirit with which they played the game – hard but fair, respectful of the referees whether on the right or wrong side of a call, and on several occasions putting their hands up without hesitation to help the opposition make up numbers so an even match could be played.

Many thanks must go to: Coach Cam for his commitment, enthusiasm and patience to the group; Managers Matt and Chris for assisting with the customary team logistics; and of course, all the parents for sharing jersey washing/oranges duties, ferrying the boys around and supporting them each weekend, and ensuring all the boys made the most of their season. Well done Riley B, Harry C, Macsen C, Rupert D, Sam D, George H, Thomas H, Rupert I, Max L & James M! Hope to see everyone again next year!

U7 Green Report 2023

The '23 season went off with a bang, with John and George Cayford joining the gang.

The Harry's returned Darce and Theo too, they saved their best for the games as all legends do.

The highlight was Lenny who is ahead of his time, but needed reminding this was not Under 9.

George P was so strong and Bern hard on the pedal, but it was Sid Frith awarded the teams Brothers medal.

A great group of parents who I'd just like to thank and a reminder about Yoku, please fill up your tank.

Without the beers or a chip, we formed a formidable team and will forever be known as the 2023 Under 7 Green Machine.

Nick Black

Under 8 Black Report 2023

It was another stellar season for the u8 Brothers Black "Stallions". Together now for 3 consecutive years, the team have gelled on and off the field, improving their ball skills and consumption of hot chips from the various canteens across Brisbane rugby clubs. And it wasn't just hot chippies that were on the menu! There was "the prawn" (placing the ball), "the hamburger" (getting ready to tackle), and "the spring roll" (rolling away from the tackle).

With a new "prop" joining us in the form of Tommy Mahon, we fielded the future Wallaby props which set the platform for our "truck - truck -Ferrari" move which stunned junior rugby teams across Brisbane!

Some highlights for the boys included being featured on Stan Rugbys international coverage for junior rugby week, stealing the show as the talent in the Stan season promos, meeting some current and future superstars of the game (including a game of touch on the beach in Fiji with Joseph Suialii and some sage advice from Harry Wilson and Fraser McReight, getting photos after every game with our opponents, and getting to sing the club song most weeks! Most of all, the boys and the parents formed even stronger friendships and look forward to 2024!

U8 Gold

The mighty Under 8 Gold gang enjoyed a very a successful year in 2023. The core playing group of Daruis, James, Hamish, Carter, Sawyer, John, Archer and Will returning from 2022 were joined by new teammates Paddy, Joe and Louis for season 2K23. The old and new players we're in sync early with the side starting the season very well which continued right through to late August. Given the big step up in defence this year it was a pleasure to see the boys grow in both their technique and self-confidence in the contact zone and how being brave when faced with a bit of adversity can be used both on and off the field. On behalf of the coaching and management staff we would like to thank all the boys for their effort during the season and the parents for making this a great experience.

Michael "Coach" Duhig
Jeff "Jungle" Oliver

Under 8 Silver Report 2023

Four Major highlights for us throughout the year

1. Given it was the first year tackling, it was a **highlight** to have most players tackling in matches by season end.
2. All players scoring at least one try throughout the year was also a major highlight.
3. Not as much bunching up/swarming bees by the end of the season
4. Sealing the ball was standard by the end of the year and done without prompting

Under 9 Green Report 2023

Another strong season from the U9 Green's. With 5 new players added to the core team we've had since the Under 6's. New additions to the team fitted in well and brought plenty of positives to the team. Coaches focus this year was for Team cohesion at the beginning, along with empowering the boys to take greater ownership and leadership on the field. Important given the coaches from the second half of the season no longer guiding the boys on the field. The boys adapted well to not having the coaches on the field and were unbeaten in the second half of the season. Noticed improvement from previous years on playing as a team instead of individuals. Both coaches and manager looking forward to next season with the boys.

Brothers U10 White

The mighty u10 white team had a great season. They learnt a lot with the tackle sessions and it was great having Ethan, our Colts assistant coach helping out this season. We hope to see many of them back for u11 in 2024.

Junior Team Reports

Brothers U10 Black 'Pirates'

Brothers U10 Black Team had a highly enjoyable and successful 2023 rugby season. With many familiar young faces returning to the team (the core has been maintained since U6's), however this year we also welcomed 4 new young men from the Albany Creek Brumbies. Our 5th new member to the team joined us from the NT (Blake Cook) and ended the season as the Brothers Medal recipient! Immediately these players slotted in very well to the team and a really strong camaraderie was developed which was so pleasing to see. As we have coached these boys now for several years, 2023 was the season where their skills and enthusiasm for the game took a significant leap forward. The team certainly has a few future stars, but at all times all players were offered equal game time, the opportunity to captain and lead the team along with trying different positions across the field. Unfortunately, both our locks were injured towards the end of the season with broken bones, so again the team had to adapt and overcome, with certain players really stepping up to occupy different positions on the field.

In summary, the development of the team as group, their skills and love of the game, competitiveness yet also a desire to play fair would be the key take-away points of the Black Pirates season. We all look forward to 2024!

U11 Gold Report 2023

U11 Gold had an incredibly successful season. They were undefeated all season, and scored a record 399 points for, and only 58 against, across the 10 games. This was the highest of all the U11 teams across the whole competition (not just Brothers!). Most importantly however, the team got on well, enjoyed themselves, and improved throughout the season.

Cath Noonan

Under 11 Green Report 2023

Building on the efforts from previous seasons, the boys welcomed a new coach and some fresh faces at the beginning of the season. Team cohesion was a big focus at the beginning, along with empowering the boys to take greater ownership and leadership on the field. Most of the boys got to experience being captain for a game. While results didn't go our way for the first half of the year, with slow starts being a big factor, there was definitely positive signs starting to sprout. After the break the boys came back with more focus and determination and put together some strong and consistent performances that led to 3 wins on the trot against some big and tough teams. A key turning point to the season was Tommy Loughrey's on the buzzer conversion to win against a strong Easts outfit! It wasn't just the wins that were impressive, but the way the boys started to gel together as a team and start to play some great phase play and running rugby - it was a real pleasure to watch.

We wish all the boys the best as they continue their rugby journey and to making lifelong mates.

U12 Navy 2023 Report

As under 12 is the first year of grading, this year saw a number of new combinations in the under 12 Navy team. Indications from the 64 players who trialled for the under 12 teams this year were that there was a high amount of skill and ability in the cohort, and this was reflected in the under 12 Navy performances. While the year could be classed a success with some comprehensive wins and finishing second overall, the greatest indicator of success for this team was in the quality of running rugby played, and their attitude and effort all season (often against much larger teams). Some of the tries scored and defensive plays made by this team this year would not be out of place in much older age groups.

Shane O'Malley
U12 Navy Coach

The Brothers U12 Navy team had a remarkable season, showing great development and determination. Under the guidance of coach Shane O'Malley, the team showcased their skills and teamwork, resulting in an impressive second-place finish in Division 1. Despite facing two narrow losses to Easts, the team remained resilient and maintained a cohesive unit throughout the season. Their ability to win convincingly and accept defeat with dignity is a testament to their sportsmanship and dedication. Overall, the Brothers U12 Navy team can be proud of their achievements and the progress they made over the course of the season.

Brian Guthrie
U12 Navy Manager

Junior Team Reports

Under 12 Silver Report

Following on from an extensive grading process the Under 12 Silver team was created. The team had a cross section of talent ready to make their mark on the season with the coaching support provided by Sean Hardman and Stuart Carlton-Smith, supported by Ian Porter offering his assistance as team manager. The initial trial games provided valuable time for the coaches to better understand the boys capabilities, individual strengths and work on positional strategies to maximise the teams enjoyment and success for the pending competition rounds. The boys spent the early part of the season honing their catch and pass game so they could adopt a plan to identify and play to space, whilst continually adding additional breakdown and defensive skills as the season progressed. Under 12 Silver finished their season undefeated, however, most importantly they learnt the fundamental core value and importance of wearing the Brothers jersey by turning up and playing for one another.

U13 Navy 2023 Team Report

With Anthony Gibb as Head Coach and Phil Croucamp as Assistant Coach, U13 Navy had a great season, welcoming back some players from U12's but also some new faces were selected in U13's. We were lucky to have some Nudgee College Boarders join the team. This meant a collaboration of parents helping to transport the boys to training and sometimes game day. Each parent happily volunteered to be on this roster, a testament to the parents dedicated to the club.

The boys played in Div 1 with 5 teams in this Division. The boys welcomed a new player from Norths Rugby Club the third game into the season, this inclusiveness spoke a thousand words of the boys that choose to play for Brothers and with the guidance of coaches with strong morals, encouraged the boys to include a late registration.

Skills were further developed with lifting at lineouts starting this year in U13's. The boys played incredibly well throughout the season, with each player identifying an area of growth.

The team made it to the finals. We defeated Souths in the semi-finals, meaning we faced Easts in the Preliminary. This was always going to be a tough game as we had not defeated Easts at all this season, in fact, they had beaten us convincingly both times.

The final score was 15-14 Easts way but as Coaches and Manager, we felt like we had won the Grand Final, although the boys didn't initially see it that way. It was a good result, and we could walk away with our heads high, only going down by 1 point and finishing third on the ladder.

One of Phil's favourite moments of the season was a try scored from a maul during the finals.

They were a great group of boys to Coach and Manage, they were all good mates who displayed the Brothers Way and great sportsmanship each game.

U13 White Report

2023 was a challenging year for the lads of U13 White. A diverse group, it took some time to gel and come together as a team. We had our challenges. We were hit early by injury as well as some boys leaving the club, further affecting our cohesion. Our early results reflected this as we started slowly and were easy pickings for the other teams in Division 4. The turning point was in Round 5 when we played table toppers Albany Ck at home with a only 14 players. This seemed to galvanise the team who despite the odds led the game until the final minutes when exhaustion took over and we conceded a late try. From then on the team identity had been forged and we gave a good account of ourselves all the way to the BJRU semi-final where again we pushed Albany Creek all the way. We had some fantastic performances in the squad this year. Archie Ross who unselfishly played out of position for the entire season. Josiah Baumgartner, who only in his second year of rugby, has become a front row talisman with a huge future ahead of him. However it was Connor O'Rourke - our deserved Brothers Medal winner – who led from the front and lived the Brothers Way throughout the season, even while injured. While the season ended sooner than we hoped, the team had formed close bonds and individual players had made huge improvements in their game. The most pleasing aspect however was how every player, regardless of ability or background was embraced by the team. They were truly a band of brothers.

Under 14 Brothers Navy Report 2023

The 2023 season commenced with a number of new players to the club. The young men were committed to training and having fun with their mates. From the beginning they played as a team and encouraged each other on and off the field. Unfortunately, a number of the team members sustained serious injuries and the remaining players stepped up and played great football. Which resulted in the team playing in the final series. They played quality football and displayed sportsmanship during the final series. In the grand final, the team were amazing, they executed team plans and dominated the opposition to win 24-5. Many thanks to our coaches, parents and the club. The Under 14 Brothers Navy Team were proud to be the only the junior team to win the premiership in 2023.

U15 Navy 2023 Report

The boys from U14 2022 reunited along with Coaches Ben Travers and Josh Flook to contest another season.

Unfortunately for half of the season the team was plagued with injury which left us short but the boys always put in a stellar effort each and every week. The highlight of the season was their win against their arch rivals, Souths Black in round 9 at Souths.

The boys were knocked out by Sunnybank in the semi final after leading by 12-0 at half time. Overall another great season was had with the deepening of friendships and comradery.

A huge thanks to Ben, Josh, George and Isaac for their time and commitment.

MRP 7s Report 2023

The Brothers MRP 7s team had an enjoyable 2023 season. With new members who had moved up from the junior division, new friendships were developed and great rapport was built amongst all mentors and players on the team. Thursday night training was always fun, and Saturday games allowed the team to showcase the new skills they had learnt. One of the highlights of the season was having the opportunity to play on the field at Suncorp Stadium during half time at a Reds game. The team was cheered on by the crowd as they scored tags and try's.

The ARU have ruled on the criteria for a player to be known as a Wallaby or an Uncapped Wallaby:

- 1) Any player that is selected in a Wallabies squad and tours overseas with the national team is considered an Uncapped Wallaby, even if for any reason he is unable to play in a match,
- 2) Any player who was selected to assemble with a Wallabies squad and trained with the team in the lead-up to a Test during the period of the non-replacement rule in International Rugby is considered an Uncapped Wallaby; and/or
- 3) Any player in the replacement rule era who has been selected in a Wallabies Test squad, is part of the 23-man game day squad but is not called on during the course of the match is considered an Uncapped Wallaby.

The ARU have ruled on the criteria for a player to be known as a Wallaby or an Uncapped Wallaby:

- 1) Any player that is selected in a Wallabies squad and tours overseas with the national team is considered an Uncapped Wallaby, even if for any reason he is unable to play in a match,
- 2) Any player who was selected to assemble with a Wallabies squad and trained with the team in the lead-up to a Test during the period of the non-replacement rule in International Rugby is considered an Uncapped Wallaby; and/or
- 3) Any player in the replacement rule era who has been selected in a Wallabies Test squad, is part of the 23-man game day squad but is not called on during the course of the match is considered an Uncapped Wallaby.

Independent Auditor's Report to the members of Brothers Rugby Club Inc

Report on the Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Brothers Rugby Club Inc (the Association), which comprises the Balance Sheet as at 31 October 2023, the Income Statement for the year then ended, the statement of cash flows and notes comprising a summary of significant accounting policies and the statement by members of the committee.

In our opinion, the financial report of Brothers Rugby Club Inc is in accordance with the *Associations Incorporation Act 1981 (Qld)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*), including:

- (i) Presents fairly, in all material respects, the Association's financial position as at 31 October 2023 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and the *Associations Incorporation Act 1981 (Qld)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Associations Incorporation Act 1981 (Qld)* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial statement, which describes the basis of accounting. The financial report has been prepared to assist the Association to comply with the financial reporting provisions of the *Associations Incorporation Act 1981 (Qld)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*). As a result, the financial report may not be suitable for another purpose.

Responsibilities of Management and Those Charged with Governance

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the *Associations Incorporation Act (Qld) 1981* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*), and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial statements

For the year ended 31 October 2023

The financial statements cover Brothers Rugby Club Inc. as an individual entity. Brothers Rugby Club Inc. is a not-for-profit association incorporated in Queensland under the Associations Incorporation Act 1981 ('the Act').

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of preparation

In the opinion of the Management Committee, the association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the policies outlined in notes 1 and 2 of these statements.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

2 Summary of significant accounting policies

Income Tax

Under current legislation, the Association is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

In accordance with the Club Constitution and operations the Management Committee consider that the main purpose during the year is the encouragement of the game of Rugby, and as such income derived from all sources is exempt from income tax.

Notes to the financial statements

For the year ended 31 October 2023

Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Registrations and Membership

Revenue from registrations and membership, and touch rugby are recognised when received.

Grants

Non-reciprocal grant revenue is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

Donations

Donations, pledges and bequests are recognised on an accrual basis and is recognised when the pledge is made. At that point it is considered that the economic benefit associated with the transaction will flow to the Association.

Interest

Interest revenue is recognised as it accrues using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Trust Distribution - Southside Unit Trust

Trust income is recognised when the present entitlement to the distribution has been established.

Sale of goods

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

BROTHERS RUGBY CLUB INC

ABN: 73 340 362 676

Notes to the financial statements

For the year ended 31 October 2023

Capital expenditure

Capital expenditure relates to the work undertaken prior to any development application (DA) being approved. This includes maintenance, upgrade of lights, field maintenance, other maintenance and professional fees associated with any DA process.

Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Property, plant and equipment is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

Asset Class	Useful Life	Depreciation rate
Buildings and Leasehold improvements	50 years	2% straight line
Equipment	10 years	10% straight line
Grounds Equipment	10 years	10% straight line
Office & Electrical Equipment	5 years	20% straight line
Gym Equipment	10 years	10% straight line
Motor Vehicle	5 years	20% straight line
Construction in progress	N/A	Not held ready for use
All property, plant and equipment of less than \$3,000	-	Immediate write off

The assets residual values and useful lives are reviewed and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its recoverable amount.

Employee benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits relating to long service leave balances are the expected amounts to be paid and is accrued when an employee reaches 7 years of employment. Changes in measurement of the liability are recognised in the Income Statement.

BROTHERS RUGBY CLUB INC

ABN: 73 340 362 676

Notes to the financial statements

For the year ended 31 October 2023

Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

Critical Accounting Estimates and Judgements

The Management Committee evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

Key estimates

Investments

- i. The club owns an asset being a perpetual membership at Ballymore. The historical cost of this asset is \$10,000. The lack of a ready market for this asset and the diminishing economic benefits following the reduction in games being played at Ballymore an impairment loss of \$9,999 has been raised to record the carrying value at \$1. This determination will be reviewed annually, and adjustments made in future periods if future market activity or estimate of future economic benefit indicates that such adjustments are appropriate.

Property Plant & Equipment - useful life

Buildings and leasehold improvements

- i. Crosby Park - during 2016 the Association signed a 10 year lease with Brisbane City Council which expires on 26 April 2026. There is no expectation that the lease would not be renewed at the expiration of the lease term. As such the Management Committee consider a 50 year useful life appropriate for buildings and leasehold improvements.
- ii. Windsor Park - in 2014 the previous junior Association signed a licence agreement with St Margaret's Anglican Girls School for access to the shared grounds and facilities at Windsor Park for all U6 to U9 games and training, U10 to U12 training and Association Events. The term of the agreement is 10 years (expires January 2024) and annual licence fees are payable on a monthly basis. There is no expectation that the lease would not be renewed at the expiration of the lease term.

Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured.

Right of use assets

The association holds a licence to occupy Crosby Park and Windsor Park. The Association:

- Recognises right-of-use assets and lease liabilities in the statement of financial position, initially measured at the present value of the future lease payments
- Recognises depreciation of right-of-use assets and interest on lease liabilities in profit or loss
- Separates the total amount of cash paid into a principal portion (presented within financing activities) and interest (presented within financing activities) in the statement of cash flows.

Lease incentives (e.g.rent-free period) are recognised as part of the measurement of the right-of-use assets and lease liabilities. The right-of-use assets are tested for impairment on an annual basis.

20 Capital Commitments – Masterplan

The Club may incur significant capital expenditure in the future due to the proposed Master Plan for Crosby Park.

During 2021, Stage 1 to the Master Plan was completed and is fully funded and the application for Development Approval for Stages 2, 3, 4 & 5 was lodged with Brisbane City Council and approved.

During 2022 and 2023, development activities were suspended following discussions with the Queensland Government as the development of the local region is being considered in conjunction with the facility needs of the 2032 Olympic Games. During the year the Club received clarity from the Queensland Government that the development may continue which will be further progressed during 2024.
