## PRESIDENT'S REPORT

2025 was another great year on the field for Brothers. We competed in all Grade premierships and Colts 2, 3 and 4, winning four out of eight. Unfortunately, we fell just short of the three-peat in Premier Grade, but it was a great performance and ironically a bit of a reversal of the result of the previous 2 years where we scored late.

I would like to thank and congratulate all of our players and coaches and managers in the successes this year. You are the lifeblood of our club. I hope that like so many who have gone before you, that you get much more out of the club than just wins on the field.

Our women's team started the year well but unfortunately missed out in the finals. I would like to thank all of our women players for their enthusiastic involvement at the club during the year. Here's hoping season 2026 is even better.

Our juniors and touch programs also had strong years. We trialed a new junior competition with Easts and GPS in under 6's to under 9's and this look set to continue next year. We also continue to grow our touch offering, and thank you to all our touch players.

I would like to thank all our sponsors and volunteers for supporting the club again during the year. Without you our club could not continue and we greatly appreciate your support in whatever capacity it is able to be provided.

During the year there have been some changes in the rugby department. JP was appointed head of rugby late last year and he has done a great job in assisting our junior and senior squads. He has been heavily involved in Colts recruitment for season 2026 so watch this space there.

On the club's redevelopment, as announced in November, we have appointed Rohrig Constructions to finalise the design for the new change sheds that will be built next year. The club will select an appropriate builder once the designs are finalised in the new year. This construction will not impact our home games next year. Further detail on the final design will be released when it is available.

Our club restaurant, Crosbys, re-opened at the start of the year with Queensland Cricketers Club appointed the club's food and beverage partner in late 2024. I would encourage all members to support this venue and sample its fare over the coming year.

I am pleased to be able to report a small cash profit for the 2025 year. The last 2 years from a financial standpoint have been challenging ones for our club as I understand has been the case for the vast majority of local community sporting clubs given the extreme weather events earlier in the year and the continual increase in costs to run a business. We have had to make some tough decisions to ensure we operate the club sustainably and we are happy that this has resulted in a modest cash profit.

Recently in November 2025 we sadly saw the passing of life member and multiple premiership winning coach, Ron Price. Pricey coached so many members of the Brothers family including me. He was loved by all who knew him and will be hugely missed. Our condolences are extended to Judy, Melissa, Natalie, Simon and the wider Price family. Our thoughts are also extended to all those from the Brothers community who have lost a loved one during the year.

Finally I would like to thank all the Brothers committee members for their efforts over the last year. Some committee members have or are stepping down and I would like to thank them for their service.

I wish everyone the best for the upcoming holiday period and look forward to a successful 2026 season.

**Tony Lalor**  
**President – Brothers Rugby Club**

## TREASURER'S REPORT

As part of my Presidents Report I would also like to present the audited Financial Statements for the Club for the financial year ended 31 October 2025.

In summary, the result for the financial year was a Profit of \$241,882 *[2024: Loss of \$26,285]*.

Throughout the year the Club received significant commitments and financial support from Government for the Club's Master Plan.

As part of the Qld Government's election commitments, the Club was awarded a \$6m grant for our Master Plan by the Department of Sport, Racing and Olympic and Paralympic Games and have been afforded the first Milestone payment of \$2.85m. This along with the \$250,000 received from the Department of Infrastructure, Transport and Regional Development, stands the Club in good stead for our new facility with the process underway for finalising the construction design.

Southside Sport & Community Club continues to support our Club with donations and distributions netting \$114,000 during the year *[\$64,000 non-cash\*]*.

We were also highly successful with our annual events, the two most significant being the Rugby Test Lunch and Corporate Golf Day. Both events were more profitable in 2025 than years previous, with the Test Lunch yielding a net profit of \$60,000 and the Golf Day \$38,000.

Unfortunately our senior 'home game' events suffered considerably this year with wet weather affecting 8 out of 9 home games which resulted in a decline in revenue taken at the Can Bar by \$34,000 compared to Budget.

The Club unfortunately also saw a significant variance in sponsorship revenue this year due to the loss of a major sponsor however, the 2026 Sponsorship pipeline is very solid with a number of sponsors re-signing and actually increasing their financial support for next year and beyond.

2025 also saw the commencement of a new partnership with Queensland Cricketers Club, who now service the Club's hospitality outlets. This partnership is evolving and we look forward to an even more successful 2026!

Finally I would sincerely like to thank the two Treasurers who worked tirelessly throughout the year, both Simon Neill and Graeme Linklater (*Acting*), it is truly appreciated and the Club indebted for your efforts.

## DIRECTOR OF RUGBY

The 2025 season reaffirmed Brothers Rugby Club as a high-performing and culturally grounded organisation with strong pathways, genuine community connection and competitive success. Across junior and senior rugby, our focus remained on player development, club culture and delivering experiences that extend beyond the field.

In the Senior Program, eight teams reached Grand Finals, resulting in four premierships (Colts 2, Colts 3, 2nd Grade and 4th Grade). Our Women's Premier team claimed the Aiken-Kairi Cup for the first time, defeating UQ away. Recruitment of *Jude Gibbs* (Sydney) and *David Fusitu'a* (former NRL Kiwi/Tonga) elevated standards and brought strong cultural leadership. Rugby 7s performances improved, with the Women finishing 5th in the Caslick Cup and the Men 6th in the Stannard Cup.

Our First Grade and lower grade teams also retained an outstanding collection of challenge trophies throughout the QPR competition, including:

- **Keith Horsley Memorial Trophy, Thomas Welsby Cup, Templeton-McLean Cup, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and the Eales-Wilson Shield**
- **B.G. "Chappie" Schulte Memorial Cup, F.C. "Fred" Lea Cup, T.L. "Coffey" Jones Memorial Trophy**
- **W.H.C. "Bert" Bickley Cup, Alan Eason Memorial Cup**

This achievement reflects consistency, depth across the season and the pride with which the group represented the Butcher Stripes.

Our core senior ambition was to win the Doughty Shield. While we narrowly missed out, we remained competitive to the end. Its importance — and the contribution of every team — was consistently reinforced via shared point updates. It will be a clear focus again in 2026.

Player pathway alignment strengthened. The Elite Development Program returned to a more individualised approach, improving accountability. Junior Colts integrated into Senior Colts preseason, with several contributing to the Colts 3 premiership. Multiple players debuted for the Queensland Reds (Men and Women), while *Will Cartwright* and *Ollie Harvey* signed full-time Australian 7s contracts. The club supported several overseas players with employment and accommodation, underscoring our commitment to transition and welfare.

*Jordan Cassidy*, in his second and final year supporting coach development, provided strong advice and feedback and went above expectations in assisting coaches who engaged. His work contributed positively to both senior and junior coach development. We wish him the best as he moves into a hands-on role at his Gaelic Football club.

The preseason featured high-level fixtures and strengthened partnerships, including the Canberra tour against Vikings Rugby and Gungahlin Eagles. In Toowoomba, our Premier, Colts and Women's teams played as curtain-raisers to Classic Wallabies vs Downs Team of the Decade, promoting regional engagement. We also hosted the Australian Club Championship, where First Grade were edged by Easts following a late comeback. Regional sides competed against our lower grades, and Bond Uni played Sydney Uni in the Women's match — a strong showcase of competitive pathways for both men and women.

Off the field, culture remained central through events such as Olympics Night, Cultural Night, quiz night, Kava in the butchery and team barbecues. The LooseHeadz mental health workshop was delivered, and juniors engaged with *Leigh Halfpenny* and *Ben John*. Following the passing of *Leapuna Havili*, the playing group held a prayer session, contributed to his family's GoFundMe and observed a minute's silence across all senior grades — a powerful show of unity.

In the Junior Program, participation grew to 52 teams (U6–U18 including Girls 7s). The new U6–U9 Metro Hub with GPS and Easts was well received, and Tri-Tag was successfully introduced for U6–U7. Tackle transition for U7s was supported through training integration and inclusion in Crosby 7s. Growth was seen in U13 (three teams), U16 (two) and Junior Colts (two). Premierships were secured by U14 Navy (Div 2) and Junior Colts Navy (Div 1). The Junior Academy improved preseason readiness, and the Holiday Clinic attracted over 100 participants. We also hosted 24 Japanese players for a week-long development camp with *Jude Gibbs* and *Dre Pakeho* — with confirmation of a 2026 return.

Challenges included incorrect BJRU grading for some older teams, which impacted experience, though proactive communication ensured player retention. Limited access to Windsor Park due to athletics uses reduced field capacity. Preseason disruption from weather and field closures forced adjustments, with Senior Teams training offsite — with thanks to Everton Park, Albany Creek and Pine Rivers. The bottom field continued to deteriorate and contributed to injury risk, prompting matches to shift to the top field. Redevelopment has now commenced, due for completion in February 2026.

Our community impact remained strong. Pasifika-designed jerseys were introduced for Premier Men and Women, blessed by *Ilivasi Tabua*. Jerseys were donated to players in Fiji, Samoa and PNG, with images showing powerful connection. Players helped raise funds for Ronald McDonald House Charities at Albion McDonalds, reinforcing community values.

### **Conclusion – Personal Statement**

This season reminded me why Brothers Rugby is such a special place. While four senior premierships and seeing our youngest players come through Little Brothers was rewarding, the real highlight was the people. As this was my first full season overseeing both junior and senior rugby, the responsibility wasn't lost on me. I have aimed to lead with care and integrity, keeping our players and community at the centre of every decision.

Our members lived our values the best they could — welcoming the Japanese players, supporting one another through the passing of *Leapuna Havili* and helping overseas players settle. We improved performance, advanced culturally and launched our first Pasifika jersey — a standout moment. Going forward, my focus is strengthening pathways, refining recruitment, developing coaches and supporting welfare, so anyone who wears the Butcher Stripes understands they're part of something bigger than rugby.

I'd like to thank our coaches, managers, volunteers, staff, committee, players and families for their commitment. Special thanks to the Board, Junior Committee, leadership groups, medics and admin support. I also acknowledge *Lochie Lawrence* and *Jason Neylon* for their guidance, their departure was felt, and their support highly valued.

## MODIFIED RUGBY PROGRAM (MRP)

For more than 11 years, the Modified Rugby Program (MRP) at Brothers Rugby Club (Foundation Club) has been dedicated to making rugby a welcoming and inclusive sport for children and young adults with disabilities. Founded in 2014 by the GingerCloud Foundation, the program's aim is to provide players with the opportunity to enjoy camaraderie, teamwork, and physical activity in a warm and supportive environment that makes players and their families feel truly welcome.

MRP at Brothers Rugby Club is tailored to meet the unique needs of its participants. By modifying the traditional rules of rugby, the program ensures that players of all abilities can engage safely and effectively. Players are paired with mentors, typically a seasoned rugby player or volunteer, who offers guidance and encouragement both on and off the field. This support helps build confidence and fosters meaningful relationships, promoting a sense of belonging within the rugby community.

The program not only boosts physical fitness but also builds social skills, teamwork, and resilience among participants. By emphasising ability over disability, the MRP at Brothers Rugby Club empowers its players, giving them an opportunity to excel in a sporting environment.

Through the Modified Rugby Program, Brothers Rugby Club champions inclusivity and shows the unifying power of sport, making a meaningful positive difference in the lives of its participants, their families, and the wider community.

## CLUB CAPTAIN'S REPORT

It is with great pride that I reflect on the 2025 season at Brothers Rugby Club in its 120th year. It was a tremendous honour this year to have the privilege of leading the playing group as Club Captain. The club once again enjoyed a cracking season which was memorable both on and off the field for the playing group. I can't thank enough the members of the leadership team Mabel Johnston, Kamilo Guido, Tate Connors and Tom Zappala for all their help and contributions throughout the year.

On the field, our success extended to all the teams at the club, with 9 grand finalists and 4 premierships winning teams this season. Congratulations to all these teams, players and coaches this season as it is a huge achievement, especially to 2nd Grade, 4th Grade, Colts 2 and 3 winning it all as premiers this year. It is a testament to the club the success and depth across all programs. The 2025 season also saw the introduction of a second Women's team, which is a great reflection on the rugby program and culture at the club. This tremendous club culture at Brothers doesn't happen without plenty of work behind the scenes led by countless Brothers Staff and Volunteers.

Beyond the field, there were many great events and celebrations throughout the year. Prior to the season kicking off, we had the Annual Brothers Working Bee, which exemplifies what makes this great club so special, to have 100 players and volunteers lending a hand to get the club ready for the season. The club hosted several major events including the Australian Club Championship for the second year in a row, followed by the most attended Ladies Day in years and culminating in the 120th Year Presentation Ball to celebrate the season.

In closing, I would like to thank you to all the Brothers' community for another tremendous year for the Club in 2025 and looking forward to an even bigger 2026!

**Will Wilson**

## CLUB NEWS

### Celebrating 120 Years of Brothers Rugby Club

## Renamed Club PERPETUAL Trophy

### **Richard Brian McGruther AM, OBE Memorial Trophy**

#### **For exemplary and outstanding service to the Club (2025)**

Cyril Fogarty Memorial Trophy – For outstanding service to the Club (1968)

Chairman's Trophy – For Outstanding Service to the Club 1967

This trophy was named in honour of a Life Member and Olde Bhoy, a past Club President, Chairman and Treasurer, Dick McGruther in recognition of his most outstanding service to the Club. It's a fitting tribute to Dick, a true giant of our Club and both Queensland & Australian Rugby and a small way to honour the over 60 years of outstanding service Dick has given to Brothers.

As a player, he always gave his all for Brothers playing across the grades from First to Fourth grade, as an office bearer & administrator he continued to serve with distinction as a President, Chairman, Treasurer and Committee member.

His acute business acumen and work across the wider Brisbane, Queensland and Australian corporate community meant that Dick was always will and able to be the Club's point man on a range of items like the planning and construction of Brothers Original Clubhouse in the early 1970's and subsequent upgrades. The negotiation to take over the use of Vic Walsh Oval in 1982 and the subsequent renegotiations with BCC on the Crosby Park lease for the next 35 years.

It was thanks to his standing as a true Brothers man and wonderful servant of the Club, that he was able to bring a former member, to assist in saving Brothers from extinction in the early 2000's.

## TEAM REPORTS – Senior Division

### First Grade

**GRAND FINALIST, Minor Premiers, Champions of the First Round; Winner of the Keith Horsley Memorial Trophy, Keith Horsley Memorial Trophy, Thomas Welsby Cup, Templeton-McLean Cup, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield**

The 2025 season was one to remember for so many reasons, but also one some of us are trying to forget so we can finally get some sleep! A year defined by consistency, commitment, and an unwavering Brothers spirit. From the first kick-off, the squad set a high standard, finishing the regular season as Minor Premiers, a testament to months of hard work on and off the field. While the Grand Final didn't end the way we hoped, Bond rode a wave of momentum winning their last 8 straight and pulled it out at the death when it mattered most, it doesn't take away from what this group achieved. We showed character in the toughest moments, developed individually and collectively on and off the field and on field we consistently fought for each other until the final whistle. Sometimes the result doesn't reflect the effort, heart, and culture built throughout a season — but that's life, I know we will be back next year to make amends and get the Hospital Cup back.

Throughout the home-and-away rounds, we consistently demonstrated the creativity in attack that has become synonymous with our club, scoring tries in various ways consistently finding the chinks in opposition armour. We were able to play tight and tough when it was needed or open the field and play edge to edge when it was available, this adaptability is something I am most proud of. Interestingly we played more wet games this year than in any other season in my memory, and not just a little wet, the teeming sideways rain we endured a few times was incredible to be a part of and on each occasion, we rose to the challenge and handled the conditions with aplomb. Harry Grant a standout memory in this regard giving GPS an absolute lesson in how to manage territory when we touched them at Crosby Rd in bucketing rain. We showed depth across all positions and debuted several players all who did the jersey proud, notable standouts in this regard were Henry Smith, Theo Fourie, Graham Urquhart, David Fusitu'a and Vice Latu. These men played big roles in the 1st Grade season as fresh faces in the group and should be proud of their efforts. But as usual it was not a few individuals or a small group who contributed more than anyone, to a man, every player contributed to our success — whether through big moments on the field, or leadership behind the scenes. We are blessed with some excellent leaders in our top squad, players like Will Wilson, Brad Hemopo and Noah Neilsen consistently lead through example.

Congratulations to Charlie Brosnan, Will Cartwright, Oli Harvey, Hamish Muller, Theo Fourie, Graham Urquhart and Vice Latu who all achieved an extra level of representative success this year.

Special thanks to Tino Poluleuligaga our Director of Rugby, your quiet nature is underpinned by a visible dedication to serve and your work in the background and on game day, rain hail or shine does not go unnoticed.

Carl Marshall, Paul Brown, Ty Tierney were outstanding from a coaching perspective. Sheldon Alcantara was a magician as Manager assisted by John Druery, acting as the glue to keeping it all together. Charlie, Mac and Super (better known as the "Old guy in the red bib") thank you for patching up our guys and getting them back on the park week in week out, we couldn't do it without you. Your dedication makes all the difference and keeps the club strong.

To the players — congratulations on another exceptional season. Being Minor Premiers is no small feat, and it's a result of your commitment to each other and to the club. We'll take the lessons from the Grand Final, build on them, and come back even stronger next year.

## Second Grade

**PREMIERS, Minor Premiers, Champions of the First Round; Winner of the Hector R. Doughty Challenge Shield, B.G. "Chappie" Schulte Memorial Cup, F.C. "Fred" Lea Cup, T.L. "Coffey" Jones Memorial Trophy, Flynn-Lewis Memorial Shield, Bola-Kefu Memorial Shield and Eales-Wilson Shield**

Following an undefeated season in 2024 expectations were high for Reserve Grade in 2025 and while a large portion of the 2024 team didn't feature in 2025 through higher honours or hanging up the boots, 2025 started in a similar fashion. While final scorelines and winning margins were not as comprehensive as previous years this team found a way to win close games on a regular basis and although this did nothing for Rhino's blood pressure or the table in the coach's box it showed the level of grit and composure this team possessed.

Despite a few mid-season hiccups reggies bounced back to finish the season as Minor Premiers and book a Major Semi Final against GPS at GPS. There is something special about beating an old foe at their home ground in a crucial match and this big win booked a second successive Grand Final appearance which would end up being against Bond in 2 weeks. When the big day arrived and the team found themselves down 0-5, they needed all the grit and composure they could muster and the next 50 minutes showcased that as they played arguably their best rugby of the season to score 41 unanswered points, a couple of consolation tries and the final score finished 41-17 to secure back-to-back reserve grade premierships.

These type of seasons and results don't just happen; a lot of thankless hours go into it and from that perspective I would like to thank assistant coaches Chris Ryan and Adam Bennie, your expertise and commitment to this group was unmatched and I am certainly thankful for the support and enjoyment you bring, similarly our manager David Braithwaite who kept the trains running on time and players in check your contribution often went unseen and under-appreciated. To Mac, Rose, Harry, Dowsey and Charlie your efforts to prepare and repair the players had a significant influence on our season.

Lastly and most importantly to the playing group, I am thankful for the sacrifice you made and the consistent effort you brought to our team. Nothing would have been achieved without the resolve and attitude you applied from November last year until the season's end this year. This group was a varied ensemble of old dogs on last legs and baby-faced kids kicking off the nappy but each and every one of the 60 strong players that featured in reserve grade contributed to our success and while its not about individuals there are a few that deserve a mention. Jake Sargood was a clear Best and Fairest not only for our team but for the wider reserve grade competition, Tana Wilson returned to the club and was voted players player and Remi Sawtell was a cornerstone of leadership and inspiration.

I'm truly thankful and proud to have been involved with the entire group.

What a season. What a team.

The Brothers 4th Grade side has once again engraved its name into another cup, securing a third consecutive Premiership in a campaign that tested grit and belief at every turn. In a year marked by nail-biters and hard-fought battles, the boys in butcher stripes rose to every challenge, culminating in a grand final showdown that will be talked about for years.

Season Highlights include a string of close encounters throughout the season showcased the squad's defence and ability to grind out a win. The team's ability to dig deep in clutch moments was a hallmark of their season, reflecting the ethos of this group that defined them. The grand final against Sunnybank, arguably the strongest side they've fielded in years, was an absolute thriller going right down to the wire.

Every player contributed to this Premiership run, whether through barnstorming carries, never say die defence and just not giving up, this squad's camaraderie was evident week in, week out. These boys trained hard and played harder and all played a role in building a team that refused to be beaten.

A massive thank you to Liam McKeown and John Burton, whose leadership, tactical nous, and belief in the boys were instrumental. Their ability to blend structure with some flair, created an environment where players had fun and were able to make decisions on how we played. Their outstanding work deserves every accolade.

Winning one Premiership is special. To go back-to-back is rare. But to claim three in a row, is something very special. This achievement speaks volumes about the commitment, and class of this team and a testament to the excellent program.

To the players, coaches, supporters, and club community — thank you. You've made 2025 unforgettable. Enjoy the rest of the year, recharge, and let's keep going.

Go Brothers

## Sixth Grade (QSRU)

## GRAND FINALIST (Geoff Wyatt Cup)

The 2025 season was a massive improvement from 2024 with more preparation to be able to enter the in the correct competition. We finished 2nd by 2 competition points with 2 losses and 1 draw for the season we had the highest for and against total 231+ in the northern conference and third highest across the whole competition. The competition this year was a new concept. It worked well having 8 teams on the Northside and 8 Teams on the Southside playing off in their own pool and then coming together to cross over at finals time. (Great from a travel perspective as well )

We qualified for finals in the Normanby Cup coming 2nd and faced Springfield 3rd in the South conference we lost this game buy 1 point in the last couple of minutes of the game. We were down with injuries coming into and during the match we lapsed at the end to hand victory to them.

This meant our finals run for the top-grade Normanby Cup was done however we played through to win into the Wyatt Cup Grand final with a win against North Lakes in the next Semi-Final.

We entered the 2025 Wyatt Cup Grand Final against Wests 6th Grade. This was an incredible game of Rugby both teams showed up and the pace was frenetic! Both teams packed with old and young players with plenty of experience and pedigree amongst them. It was nil all at half time which shows the closeness of the teams. West scored 10 mins into the second half and converted. We responded 10 mins later under the posts and converted 7 all with 10 minutes to play. The game was allowed to continue past fulltime to allow both teams to get an outcome we had our chances as did West neither team could get over the line and in overtime West kicked a wobbly field goal to win 10 to 7 heartbreaking...

The feedback from the QSRU President post-game was that it was one of the best finals he had seen and that the standard and speed was nothing he had seen before. He was blown away that we were 6th grade in his words.

There are so many great moments and players this year for us. Baden Stevenson won best and fairest and Jack Ball winning players Player both these guys worked tirelessly throughout the season.

Our captain Sam Satui was steady and guided the ship. Joel Imesen a prolific try scorer we are lucky to have him in Friday nights. Tom Griffin was another stand out for us this season. Jimmy Vail racking up his 250 games in the butchers stripes was a real honour. To see JP don the butchers stripes and take the field was a highlight for all involved!! The blend of old and young was vast however that's the beauty of rugby age doesn't matter it's about contribution and all the men contributed at a high level and contributed positively to our great year.

Also the boys who played from our team to help out 5th grade when they were needing help backing up from our games and on the odd occasion not playing for us in order to help out was great to see Mikey Mullany, Steve Piry, Sean Power, Baden Stevenson, Dylan Jelinek all great club men and to some of the 5th grade guys that came and helped us during the year Alec Bodmede, Michael Crismale, Jye Snowden, Liam Clunn very grateful for the help and great to see the boys willing to help the total playing group and have some fun playing together.

I couldn't have been prouder of all the boys this season we really came together as a team and the cohesiveness and comradery were second to none. We really formed tight bonds as a team and showed what it means to play for and be Brothers Rugby Club. I would also like to mention the support team we were so privileged to have John Gates as manager did a stellar job. International level Trainers in the Hanger Family were unreal and Tiff on water and lollies the big sister or sometimes mum to the boys kept us rolling on the paddock.

Even though we fell short in the grand final the men that we attracted and the group we formed was great to be a part of We also look forward to giving the boys who love to play a home and a team to come to if they can't commit to the full-time aspects expected to play higher up in the grades. We look forward to going again in 2026 and chasing another grand final with a win this time around all going to plan.

### **Semi-Finalist (Bob Tuckey Cup)**

The 2025 season was one of growth and resilience for Colts 4. With a mixed squad of 3rd year and first-year players, we focused on building strong foundations and embracing the Brothers values of commitment, respect, and teamwork. Across 17 games, we recorded 9 wins and 7 close losses, finishing with a hard-fought 5–3 semi-final loss to a strong Caboolture side. Despite the result, the team showed great character and unity.

Special thanks go to the players, their families, and friends for their unwavering support throughout the season. Their contributions behind the scenes made a huge difference to the team's experience and growth.

Looking ahead, next season looks good. Many of our 3rd year colts are looking forward to the move into senior grade next season, and I'm confident they'll make a strong impact. Those remaining in the Colts competition will benefit greatly from this year's experience and will be pushing hard for positions in higher colts grades. A special mention goes to our U18 Junior Colts who stepped up into the U20 Senior Colts this season, their contribution was vital, and we look forward to seeing them back next year.

The Tuckey Cup competition continues to grow, with nine teams participating this season. Now in its fifth year, the format provides a valuable opportunity for players who are unable to commit to the full training and game schedule of higher Colts grades due to work or study to still enjoy a competitive season of rugby. Brothers has a proud history in the Tuckey Cup, with three premierships and two semi-final appearances, showcasing the depth of talent within the club.

Personally, the highlight is seeing so many players getting ready to transition into senior grade rugby next season this to me is what Colts rugby is all about.

Thank you for the opportunity to give back to the club that gave me so much.

Go Brothers!

### **6th (Bob Tuckey Cup)**

The 2025 season was one built on growth, resilience, and the true Brothers spirit. Under the guidance of Lui Pereira, supported by Tino Poluleuligaga and Ta'avili Patea, the Colts 4 White side finished the season in 6th place out of 9 teams, recording five wins and one draw — a commendable result considering the challenges faced throughout the campaign. At the start of the season, the group found itself in an interesting position, too many players for one team, but just enough to form two. The decision to field two teams was made to ensure every player had the opportunity to develop and contribute. Despite often being short on numbers, and at times without a full bench, the boys continued to show up week after week with genuine commitment and determination.

There were some memorable victories, including strong performances against GPS (home), Easts (home and away), Sunnybank (away), and UQ (home). Each of these wins reflected the team's growth, belief, and refusal to back down. A special highlight came during the school holidays when Nudgee 1st XV and Australian U18s loosehead prop Tito Hamala joined the squad for two games, lifting the intensity and setting a standard that inspired the rest of the group.

The coaching group emphasised two key messages throughout the season, that every game would be a battle, because everyone loves to beat Brothers, and that rugby should be enjoyed. The focus wasn't solely on outcomes, but on playing positive rugby, trying new combinations, and having the confidence to express themselves. When those moments clicked — when a move came off and resulted in a try, the energy and pride within the group were undeniable.

Standout performers included fullback David Filo, who consistently impressed with his skill and composure, prop Penita Taufua, whose ball-carrying and scrummaging presence were immense, and flanker Alfie White, who epitomised hard work and commitment week in and week out.

**“Our CLUB is greater than the sum of its parts.”**

**“Our CLUB is greater than the sum of its parts.”**

Off the field, the team built genuine camaraderie. Many players began the season as strangers, coming together from Junior Colts and mixing with the wider Colts group. By season's end, they had formed a tight-knit unit that embodied Brothers' values of respect, humility, and teamwork.

Overall, it was a season that started and finished together, a group of young men proud to represent Brothers Rugby Club and to wear the Butcher Stripes with passion and purpose.

Both the U15 Navy and White teams had strong participation this season, each fielding approximately 22–23 registered players. While this provided healthy squad depth, it also presented challenges throughout the year in managing absences and injuries.

#### *White Team:*

The White team showed great teamwork and resilience under the leadership of Ben and Joe. Unfortunately, Joe had to withdraw during pre-season due to work commitments. Ben, despite being new to both the club and the country, quickly gained the respect of the players and led the team with dedication and understanding. Patrice did an outstanding job as team manager, providing strong support to Ben and ensuring the team ran smoothly. The White team demonstrated strong cohesion and commitment throughout the season.

#### *Navy Team:*

The Navy team welcomed several new faces this year, broadening the team's depth and energy. Josh and Steve Davison led the boys through pre-season training, with Josh moving to the U16s prior to the season start. Steve Briggs stepped in as coach, which initially brought some adjustment challenges due to differing coaching styles. However, the boys adapted well and grew stronger as the season progressed. Their hard work culminated in a semi-final appearance against Riverside, where they played one of their best matches of the year—giving a strong Riverside side a real challenge before narrowly missing out on victory. Clare managed the Navy team, ensuring excellent communication and organisation throughout the season.

Both teams benefitted from a fantastic parent group, with no shortage of volunteers and sideline support each game day. The commitment from coaches, managers, players, and families contributed to a positive and successful season for the Brothers U15 Navy and White teams.

### Under 14

The 2025 season was a strong and rewarding year for the Under 14 age group at Brothers Rugby Club. We were fortunate to welcome wonderful numbers at trials, with over 35 players registering for the season, enabling us to field two competitive teams – Navy (Division 2) and White (Division 3).

#### *Season Overview*

The enthusiasm and commitment from players, coaches, managers, and families was evident throughout the year. Training sessions were well attended, and both squads developed significantly in their core rugby skills, teamwork, and understanding of the game. The age group fostered a strong sense of mateship, with both teams supporting one another on and off the field.

### *Team Performances*

#### Under 14 Navy (Division 2):

The Navy team enjoyed an outstanding season, going through the year undefeated and claiming the Division 2 Premiership. Their consistency, resilience, and commitment to the Brothers way was a standout, and the players should be proud of their achievements.

#### Under 14 White (Division 3):

The White team demonstrated excellent spirit and determination, finishing the season in 3rd place in Division 3. The players showed great improvement over the season and represented the club with pride, developing both as rugby players and as teammates.

### *Acknowledgements*

A heartfelt thank you goes to our coaches and managers of both teams for their dedication, time, and guidance. We also extend our appreciation to the parents and families for their ongoing support, whether it be helping at training, managing game days, or cheering from the sidelines.

Most importantly, congratulations to all the players who proudly wore the Butcher Stripes this season. Your commitment, sportsmanship, and enjoyment of the game are a credit to yourselves and to the Brothers Rugby Club.

We look forward to building on this year's success and watching our players continue their rugby journey into the Under 15s in 2026.

The 2025 season was an overall great success in the first year of the Brisbane metro Hub for Brothers U8 teams.

We seemed to play a lot more away games than home games and I can only put this down to preservation of our Crosby Park fields following inclement weather but there were a few groans of bros vs bros away @ easts or GPS.

No incidents were reported through me of any poor spectator behaviour or unruly team behaviour.

Thursday Night training @ Windsor park whilst condensed into 45 mins vs an hour session in previous years works well.

The modified rules (when enforced) worked well and encouraged the players to engage in the contact without being fended off by the ball carrier.

Looking forward to U9 2026 season.

### **Under 7**

The 2025 Brothers U7 season saw a remarkable seven teams take the field in the Under 7 age group. This year, our boys and girls embraced the new tag system, which proved to be a fantastic addition to the game. The kids adapted quickly and showed tremendous growth and development across all teams, providing a strong foundation as they prepare for tackling next year. We also introduced the Hub system, playing at GPS, Easts, and at home at Crosby Park. While it received mixed opinions from parents at first, everyone soon adjusted and ultimately welcomed the changes.

Looking ahead to 2026, tackle will be introduced as these teams progress to the U8 age group. In the final two weeks of training this season, the kids enjoyed some friendly games that gave them an exciting introduction to tackling. I'm eager to see how this develops next year within the teams and am incredibly proud of how far they have come!

A heartfelt thank you to every player and parent who participated, supported, and cheered throughout the year. It was a truly enjoyable season, and I feel incredibly grateful to be part of the Brothers family. A special thanks goes to JP for your unwavering support and reliability in answering every question, big or small. Our coaches and managers also deserve recognition for their dedication and commitment from start to finish. To the referees, touch judges, assistant coaches, and all the volunteers at Brothers—thank you for the invaluable time and effort you give to the club. Brothers

continues to grow from strength to strength, and we look forward to welcoming all parents and children back in 2026 as U8s!

**Charlotte Evans**  
**Age Group Co-Ordinator**

### **Under 6**

The start of the U6 season is always an exciting time for the children and parents!

For nearly all children, it is the first time they get to strap on the boots, and don the famous Brothers jersey. The start of any new U6 season also welcomes in the next generation of Brothers players, a path that many will follow through their teens, into Colts, and into Grades.

2025 saw six U6 teams take to the field, all learning the art of catching and passing, creating friends, and playing as a team.

Most of all, the emphasis is always having fun – and U6 is truly the “smile factory”.

**Thank you** to all Managers and Coaches. Without your commitment, energy, and love of the game, club rugby would struggle.

And **thank you** to all the parents for ensuring that Thursday night training was always a winner, and that your child arrived on time each Saturday!

We look forward to a wonderful 2026.

**Ben Donohue**  
**Age Group Co-Ordinator**

## **BROTHERS TOUCH ASSOCIATION**

Brothers Touch was delighted to see a consistent figure in participation numbers and increase in quality of play. This was the first year of the touch program being 100% based out of Windsor Park which has been very successful for numerous reasons. Below is this year's team statistics within their divisions.

After last year's lesson being learnt in being unable to compete with winter sports (Rugby Union & League) we adjusted the Season 1 Boys competition to be Term 1 only. Whilst numbers were low, we still successfully ran a solid 10s and 12s competition. Next year, we will also be adjusting our Season 2 Boys competition to be played solely in Term 4. We had numerous teams requesting late starts and further interest after the season had already started.

We continued with our focus referee development with Lawren Sullivan doing a great job of being our Referee Mentor again with assistance from Rebecca Buzzcott, Kellie Haidley and Eva Kearney. Lawren ran 2 Affiliate Referee courses and several of our referees received upgrades at representative tournaments.

In the senior space, we successfully ran 2 Seasons of Open Mixed which we will continue in 2026.

We held numerous open-invite development camps/clinics and with the assistance of our Coaching Director (John Bourke) and the HPS (High Performance Sport) crew founded by Carla Clayton, Katrina Woodgr and Mai Peregrina.

### **Junior Representative**

2026 saw another milestone achievement in our Junior Representative Program with teams covering every Girls age group. Teams that competed at the Gold Coast Junior Cup, Arthur Davis Carnival (Redlands), Hounds Cup (Graceville) and Junior State Cup in Rockhampton were;

- Girls 10s
- Girls 12As
- Girls 12Bs
- Girls 14As
- Girls 14Bs
- Girls 16s
- Girls 18s

Season Highlights;

- 10s Girls Undefeated campaign at Junior State Cup (Development Division)
- 12B Girls Undefeated campaign at Junior State Cup (Development Division)
- 10s Girls Champions of Development Division at both Redlands and Gold Coast carnivals
- 16s & 18s Girls Champions at Graceville carnival.

A huge thank you is due to our coaching director John Bourke and all our coaches and managers. The Junior Rep Program is a very long one and we can't thank you enough for your commitment to our girls!

### **Metro Cup**

This year we had 9 teams represent Brothers and compete at Metro Cup. With a large cohort of Women's Premier Players and the coach moving back to their original clubs, Brothers had the opportunity to develop a young women's program with players that have raised through our Junior Program. Our club strength was on display with 6 out of our 9 teams making Semi Finals. Our Men's Division 1 coached by Adam Breakspear and Men's Division 3 coached by Darrin Smith were crowned Metro Cup champions for 2025.

A big thank you once again to all coaches and managers involved.

### **Senior State Cup**

Another muddy and hot State Cup this year was nevertheless enjoyed by all and demonstrated some great efforts! In our biggest State Cup campaign yet, Brothers were represented in Mixed Open Premier, Mixed Open, Mixed 30s, Women's Open and Men's 40s.

Along with sending the greatest number of teams our club has before, all teams also made finals!

Women's Open were narrowly knocked out by BMTA 2-1 in their quarter final. Men's 40s also bowed out in the quarter finals. Our Mixed Open Premier division lost their semifinal to eventual champions Cooloom. Mixed 30s competed hard in a try for try battle against Kawana losing 7-6 in the Grand Final. Mixed Open were crowned champions of their division with a tight win over Labrador. Congratulations to our Mixed Open crew coached by Corza Knight!

## Independent Auditor's Report to the members of Brothers Rugby Club Inc

### Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Brothers Rugby Club Inc (the Association), which comprises the Balance Sheet as at 31 October 2025, the Income Statement for the year then ended, the statement of cash flows and notes comprising a summary of material accounting policies and the statement by members of the committee.

In our opinion, the financial report of Brothers Rugby Club Inc is in accordance with the *Associations Incorporation Act 1981 (Qld)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*), including:

- (i) Presents fairly, in all material respects, the Association's financial position as at 31 October 2025 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and the *Associations Incorporation Act 1981 (Qld)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*).

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Associations Incorporation Act 1981 (Qld)* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial statement, which describes the basis of accounting. The financial report has been prepared to assist the Association to comply with the financial reporting provisions of the *Associations Incorporation Act 1981 (Qld)* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*). As a result, the financial report may not be suitable for another purpose.

### Responsibilities of Management and Those Charged with Governance

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the *Associations Incorporation Act (Qld) 1981* (as amended by the *Associations Incorporation and Other Legislation Amendment Act (Qld) 2007*), and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in

accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The financial statements cover Brothers Rugby Club Inc, as an individual entity. Brothers Rugby Club Inc. is a not-for-profit association incorporated in Queensland under the Associations Incorporation Act 1981 ('the Act').

Comparatives are consistent with prior years, unless otherwise stated.

#### **1 Basis of preparation**

In the opinion of the Management Committee, the association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the policies outlined in notes 1 and 2 of these statements.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

#### **2 Summary of material accounting policies**

##### **Income Tax**

Under current legislation, the Association is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

In accordance with the Club Constitution and operations, the Management Committee consider that the main purpose during the year is the encouragement of the game of Rugby, and as such income derived from all sources is exempt from income tax.

### Notes to the financial statements

For the year ended 31 October 2025

#### Capital expenditure

Capital expenditure relates to the work undertaken prior to any development application (DA) being approved. This includes maintenance, upgrade of lights, field maintenance, other maintenance and professional fees associated with any DA process.

#### Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Property, plant and equipment is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

Asset Class	Useful Life	Depreciation rate
Buildings and Leasehold improvements	50 years	2% straight line
Equipment	10 years	10% straight line
Grounds Equipment	10 years	10% straight line
Office & Electrical Equipment	5 years	20% straight line
Gym Equipment	10 years	10% straight line
Motor Vehicle	5 years	20% straight line
Construction in progress	N/A	Not held ready for use
All property, plant and equipment of less than \$3,000	-	Immediate write off

The assets residual values and useful lives are reviewed and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its recoverable amount.

#### Employee benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits relating to long service leave balances are the expected amounts to be paid and is accrued when an employee reaches 7 years of employment. Changes in measurement of the liability are recognised in the Income Statement.

The accompanying notes form part of these financial statements.

#### **Notes to the financial statements**

**For the year ended 31 October 2025**

##### **Inventories**

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

##### **Critical Accounting Estimates and Judgements**

The Management Committee evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

##### **Key estimates:**

###### **Investments**

- i. The club owns an asset being a perpetual membership at Ballymore. The historical cost of this asset is \$10,000. The lack of a ready market for this asset and the diminishing economic benefits following the reduction in games being played at Ballymore an impairment loss of \$9,999 has been raised to record the carrying value at \$1. This determination will be reviewed annually, and adjustments made in future periods if future market activity or estimate of future economic benefit indicates that such adjustments are appropriate.

###### **Property Plant & Equipment - useful life**

###### **Buildings and leasehold improvements**

- i. Crosby Park - during 2016 the Association signed a 10 year lease with Brisbane City Council which expires on 26 April 2026. There is no expectation that the lease would not be renewed at the expiration of the lease term. As such the Management Committee consider a 50 year useful life appropriate for buildings and leasehold improvements.

##### **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured.

#### **Notes to the financial statements**

**For the year ended 31 October 2025**

#### **Right of use assets**

The association holds a licence to occupy Crosby Park. The Association:

- Recognises right-of-use assets and lease liabilities in the statement of financial position, initially measured at the present value of the future lease payments
- Recognises depreciation of right-of-use assets and interest on lease liabilities in profit or loss
- Separates the total amount of cash paid into a principal portion (presented within financing activities) and interest (presented within financing activities) in the statement of cash flows.

Lease incentives (e.g. rent-free period) are recognised as part of the measurement of the right-of-use assets and lease liabilities. The right-of-use assets are tested for impairment on an annual basis.

#### **20 Capital Commitments – Masterplan**

The Club continues to be committed to the development to the proposed Master Plan for Crosby Park.

During 2021, Stage 1 to the Master Plan was completed and is fully funded and the application for Development Approval for Stages 2, 3, 4 & 5 was lodged with Brisbane City Council and approved.

During 2022 and 2023, development activities were suspended following discussions with the Queensland Government as the development of the local region is being considered in conjunction with the facility needs of the 2032 Olympic Games.

During 2024, the Club received confirmation from the Queensland Government to progress the development on the Club's existing site. Federal Government funding has been confirmed to support the development which is due to commence during 2025.

During 2025, the Club signed a new long term lease effective January 2026 at Crosby Park and is now in the process of finalising the construction design for the new building.
